

Michael Witham Bio

I have been a member of the St. David's community since 2010. Both of my children attended St. David's Preschool between 2010 and 2015. I decided to fully recommit to full-time attendance in 2024 and was happy to see my daughter baptized in November 2024. On June 1, 2025, I was confirmed in the Episcopal Church, wanting to fully engage in my spiritual growth at St. David's. I also joined the Men's Fellowship here at St. David's in 2025 and have found a welcoming and loving brotherhood.

In my professional life, I bring more than 33 years of financial experience from banking, telecommunication, and, most recently, the Government Contracting realm, where for the last 26 years I built and led Pricing and Price to Win organizations from the ground up. My background includes developing complex pricing strategies, conducting PTW analyses, shaping competitive assessments, and partnering to deliver compliant and profitable proposals. These skills, I believe, would benefit St. David's across multiple areas.

My hope for joining the Vestry is to both learn more about St. David's and its rich culture and to help the church continue to grow and prosper as we all continue on our spiritual journeys. If elected, I pledge to do my best to help St. David's and grow within the community.
