Welcome to the Tumblebears Family!

We're so glad you're here.

Dear Families,

Welcome to Tumblebears Gym! Whether your little one is taking their very first tumble in a Parent & Me class or working toward their next big skill in one of our advanced classes, we're honored to be part of their journey this season.

Tumblebears opened its doors in 2018, founded by a group of teachers who wanted to make a bigger impact in their community through movement. I was hired that same year as the conditioning coach and spent the next three years interning under our founder, Lauren Hawkins, soaking up everything I could about gymnastics. In 2020, we took a hit like everyone did, and for a while it was just Lauren and me keeping things going. In 2021, she asked me to buy the gym — and I've been growing it every year since, with more kids joining our Tumblebears family each season. This gym has become a safe haven for so many women, children, and families, including mine: my own two kids have grown up here as athletes themselves, so I know firsthand how much a good gym can shape a child's confidence, discipline, and love of movement. It's rare for a coach to be with a child from their very first class as a toddler all the way through middle school — but that's exactly the kind of bond we get to build here, and it's one we're incredibly proud of.

Sometimes we're called to our purpose in the most unexpected ways — and in those moments, you just have to jump in with both feet. Whenever I need reminding of that, I come back to Jeremiah 29:11: "For I know the plans I have for you." Every year, that verse is what carries us into the next season.

Our goal is simple: give every kid who walks through our doors a place where they feel strong, capable, and excited to come back. This packet covers everything you need to know as a new (or returning!) Tumblebears family — hours, tuition, policies, and details on each of our programs. Please hang onto it as a reference throughout the season.

If you ever have a question we haven't answered here, reach out anytime — we're always happy to help.

Address: 14997 SW Tualatin-Sherwood Rd, Suite 104 & 105, Sherwood, OR 97140

Season & Closures

We're open seven days a week for classes and parties, but we do close for the following each season:

- All major holidays
- The week of Thanksgiving
- The week of Christmas
- The week of Spring Break

Exact closure dates are posted each season in the Jackrabbit Parent Portal and on our Instagram/Facebook — please check there for the current calendar.

Tuition & Billing

Your tuition stays the same all season long. We charge a flat monthly rate rather than a per-class fee — so a 5-week month costs the same as a 4-week month. This keeps billing simple and predictable for your family.

- Tuition is billed automatically each month through the Jackrabbit Parent Portal.
- You can start or stop classes at any point during the season — enrollment isn't locked to a semester.
- A one-time registration fee of **\$30** applies for new families.
- We don't currently offer a sibling discount.
- There is no late payment fee.

Cancelling or Pausing a Class

If you need to cancel, please email tumblebearsgym@gmail.com before the 1st of the month. Cancellations received after the 1st will still be billed for that month's tuition.

New Family Trial Guarantee

Older kids are welcome to try a single trial class before enrolling. For younger kids (Parent & Me and preschool ages especially), we recommend committing to a full month instead — little ones often need a few classes to warm up and find their groove. If, after a full month, it's just not the right fit, we'll refund 50% of that month's tuition.

What to Wear & Bring

We keep this simple and low-stress:

- **Clothing:** Anything your child can move freely in — athletic wear, leggings, t-shirts. No leotard required.
- **Hair:** If your child has long hair, please pull it back or up before class.
- **Feet:** Most kids go barefoot on our equipment. Grip socks are welcome if you prefer them.
- **Bring:** A labeled water bottle for every class.

If Your Child Is Sick

Please keep your child home if they're feeling under the weather. Missed classes due to illness can always be made up — just reach out to schedule a makeup class.

Staying in the Loop

Everything about your account — billing, schedule, closures, and announcements — runs through the **Jackrabbit Parent Portal**. Be sure to check it regularly and keep your contact info up to date. For anything else, you can always reach us directly:

Program Guide

PARENT & ME AND PRESCHOOL

Tiny Explorers

Ages 9–24 months \$50/month

A gentle, guided introduction to movement for our youngest tumblers, done together with a parent or caregiver. Focused on sensory play, first movement skills, and bonding time on the gym floor.

Little Movers

Ages 2–4 years \$95/month

A Parent & Me class that builds on early movement skills — balance, coordination, and following simple directions — while grown-up and child explore the gym together.

Preschool Gymnastics

Ages 3–5 years \$95/month

No experience needed. Classes build gross motor skills, coordination, balance, and strength through age-appropriate, play-based instruction, working toward skills like cartwheels, handstands, and backwalkovers.

Please note: kids must be potty trained or wearing a diaper — our coaches are not able to assist in the bathroom, though they'll happily point your child to the facilities.

Future Athletes

Ages 3–5 years \$95/month

A well-rounded intro to athletics for preschoolers, building the foundational movement skills that carry over into any sport they try next.

Future Cheerleaders

Ages 3–5 years \$95/month

Cheer-inspired movement, jumps, and motions designed just for our youngest athletes.

GRADE SCHOOL & ADVANCED CLASSES

Ninja Class

K – 3rd grade \$100/month

Obstacle-course-style training that builds strength, agility, and problem-solving in a high-energy, kid-favorite format.

Recreational Gymnastics

K – Middle School \$100/month

No prior experience required. Athletes train on rings, beam, and bars, and work floor skills like handstands, cartwheels, rolls, and backbends — building balance, coordination, and strength along the way.

Advanced Tumbling

\$130/month

Our most advanced tumbling track — built for athletes ready to be pushed on the hardest skills. This is where dedicated tumblers train toward big, high-level moves under close coaching guidance.

Her Hour with Coach Hailey

Middle School girls \$75/month Tue & Thu, 6:00pm

A dedicated strength and movement hour built specifically for our middle-school girls.

SPECIALTY PROGRAM

Bear Cubs Clubhouse

Ages 3+ \$150/month per day Tue or Thu, 9–11am

While you tackle your morning, your little one gets two hours between the gym and the clubhouse — gymnastics circuits and open play to burn off energy, then coach-led activities to build focus and structure, because kids this age thrive when their bodies are moving.

Spots are limited to 8 kids per group. \$150/month covers one day a week — Tuesday or Thursday, 9–11am. Questions? Email tumblebearsgym@gmail.com.

PARTNER PROGRAM

Newberg Youth Cheer — A Different Location

This program runs at the **Chehalem Armory** (620 N Morton St, Newberg, OR) — not our Sherwood gym.

- **Ages:** Grades K–8, split into Youth (K–5) and Middle School (6–8) divisions
- **Fall Sideline:** August–October, with a November showcase. Practices Tue & Thu (Youth 4:30–5:30pm, Middle School 5:30–6:30pm), plus Saturday game days
- **Winter Cheer Team:** November–February, two 1.5-hour practices per week, with 2–3 local competitions
- **Registration & pricing:** handled separately through the Chehalem Park & Recreation District (Active Communities portal) rather than our Jackrabbit system. Contact us for the current registration link, pricing, and uniform requirements.
