FROM THE PASTOR'S DESK:

Thank you for welcoming Father Chuck Huck to preside at our Masses this weekend. Father Huck is a retired priest from the Diocese of Crookston. He will speak on behalf of Food for the Poor, which is an ecumenical Christian nonprofit organization that provides food, medicine, shelter, and other services to the poor in Latin America and the Caribbean.

At the January 6, 2026, meeting of the Parish Pastoral Council, the following topics were discussed:

- **Lilly Grant:** Father John revisited the subject that was first discussed at the December meeting of our parish participating in a Lilly Grant for discipleship outreach through St. Catherine University. The grant would begin in Fall 2026 and award \$5,000.00 to our parish to use over 2-4 years for outreach and service opportunities. The Council recommended that we participate in the Lilly Grant.
- **Parish Financials:** We had better Sunday collections in November than in December. We received a generous Christmas collection. There were no major repairs in the building during the past month.

Updates from liaisons to parish groups and committees:

- **Parish Activities Committee:** Gearing up for Winter Game Night on Friday, January 23.
- **Liturgy/Choir:** The choir and musicians have been busy with Christmas liturgies and rehearsals.
- **Adult Faith Formation and Archdiocesan Synod Implementation:** A presentation by Vicki Klima on the topic of liturgical participation will be February 10 with one presentation in the afternoon and another in the evening; plans are in the works for a possible Lent series on how our baptism anoints us for mission; we will be having signups soon for Lent small groups.
- **Social Justice and Caring Committee:** Members of our parish Beacon team met with a large group of 300+ Beacon supporters in November to learn about threats to federal funding for supportive housing.
- **Women's Club:** The Christmas Bake Sale on December 20-21 went well.
- The next meeting of the Parish Pastoral Council is February 3, 2026.

Prayer Intention of Pope Leo for January 2026: *Let us pray that praying with the Word of God will be nourishment in our lives and a source of hope in our communities and help us to build a more fraternal and missionary Church.*

God Bless You,

Father John Mitchell

ST. PASCAL REGIONAL

AN ASCENSION CATHOLIC ACADEMY SCHOOL

A Trip to BizTown

Our amazing 4th, 5th and 6th-grade scholars recently stepped into the world of business, money management and community in the Junior Achievement BizTown simulation. Over weeks of classroom learning, they prepared for this real-world experience. From running businesses and earning paychecks to making purchases and working as a team, scholars explored what it takes to succeed in a community. They applied classroom skills in a fun, hands-on setting, discovering careers, practicing financial skills, collaborating with classmates and even exercising civic duties like voting. We're so proud of how they showed curiosity, creativity and confidence today.

Church at Home: PJ Edition

Out of concern for the health and well-being of all our parishioners and visitors, we encourage you to be vigilant about your health and hygiene. If you have flu-like symptoms (cold, running nose or temperature), you may choose to stay home and watch the Mass on YouTube. As always, masks are welcome at all gatherings and meetings at St. Pascal's.

RECLAIMING SUNDAYS

On the last weekend of each month, St. Pascal's is including an insert in the bulletin with the coming month's theme and suggested activities from *Reclaiming Sundays: Recover Sunday as a Day for the Lord and Family* published by the Archdiocese of St. Paul and Minneapolis. Copies of the complete guide are available in the kiosk and online at archspm.org/sundays.

FEBRUARY

No/Low-Tech Sundays and Prayer

"Sometimes we prove hard of heart and mind; we are forgetful, distracted and carried away by the limitless possibilities for consumption and distraction offered by contemporary society."

Evangelii Gaudium 196

The endless distraction of smart phones is well known. A device marketed to unite and connect has in many instances had an alternative impact. Create space in the interior of your heart to receive the blessing of God by turning off the distractions.

SAMPLE ACTIVITIES FOR FEBRUARY:

- Turn off phones during dinner or all day.
- Stow devices or commit to not responding to emails, or engage in social media-free Sundays.
- If you choose to lessen media, try replacing that time with playing family games or reading books aloud together.
- Ash Wednesday is February 18, 2026. Incorporate some kind of technology fast in your family's Lenten plan. Adults — lead by example!
- Liturgical Living: Attend Stations of the Cross at your parish or pray a family-friendly version at home. (Start with 14 lit candles and extinguish one after each station.)
- Recommended resource to assist in building habits of prayer is the Hallow App.

At St. Pascal's...

- Consider participating in one of our small groups during Lent.
- Join us for the presentation "Participation of the Heart: Deeper Engagement in the Mass" on Tuesday, February 10 from 1:00-3:00 pm or from 6:30-8:30 pm. **More information on the reverse side!**
- Join us for the Mardi Gras/Valentine's Day Care Card event on Saturday, February 14 following the 4:30 pm Mass.
