Banner and placement details

Field banners are approximately **3 x 5 feet, vinyl**, with your business logo and/or information. Standard field banners are placed along the outfield fence. Premium high-visibility placements are selected by RGS and are first come, first served. Snack bar banners are displayed in high-traffic snack bar areas.

Availability: The source packet lists two snack bar banner placements. RGS must confirm remaining availability before finalizing team sponsorship or premium/snack bar placement. Custom contributions do not automatically include a package or benefits.
