There is NO **“grace period”**. If postal service in your town is such that mail is only processed occasionally, it is still your responsibility to see that your payment is postmarked by the due date. You may use an overnight service such as FedEx or UPS. If you do, the date marked on the waybill as “received” by the delivery service is the date payment was made.

Failure to timely make a sustaining payment will result in cancellation of the nomination.

- Checks returned by the bank will constitute no payment and result in the cancellation of the nomination.
- There will be no refunds of fees.
- An advertising/clerical fee of \$30.00 will be deducted from the original nominations.
- All entrants into the trials of the New Mexico Breeder’s Futurity and the Four Corners Futurity will pay an additional fee of **\$450** at the time of entry into the trials. This cost will be used to hair test all horses that qualify for the finals of these races and “two also eligible”. Any left over money from this fund will go to the Equine Testing Program.

ELIMINATIONS

Each trial shall consist of not more than ten (10) horses. The trials shall be raced under the same conditions as Stake. These horses shall be selected on a time basis. Times of horses in separate Trials will be determined by the Electric Timer. In the event horses in same trial race are given identical times, the selection of which horses will participate will be determined by order of finish posted by the racing officials. No adjustments will be made in recorded time of Trials for head winds, tail wind, off track, or any other act of nature, etc. Should a malfunction occur with the electronic timer on any time trial, finalists from that time trial, will then be determined by official hand times operated by three official and disinterested persons. The average of the three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be utilized for the winning time; other horses shall be given times according to the order and margins of finish with the aid of the photo finish if available. If for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the Finals. Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 5/1000 of one second. If the front gates on the starting gate fail to open due to a mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the Trials, such horse shall be declared a nonstarter and all nominating, sustaining and entry fees shall be refunded from the purse to the owner of said horse. During the running of the Finals, such horse will be declared a nonstarter and shall be classified as a scratched horse and shall be paid last place purse money in said race. The decisions of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in the Trials and/or Stake agree to abide by the decision. If any part of any entry is disqualified, it may disqualify all of the entry. **All rules or new rules adopted by the State Racing Commission of New Mexico supersede any condition of this race.** SunRay Park reserves the right to hold trials for this race on a non-race day, if those trials are not run on the dates shown on this blank. The starting gate will be moved for renovation of the racing surface between each trial.

CANCELLATIONS

Nominations or subscriptions to this Stake may be refused or canceled without liability, at any time prior to the actual running thereof, except for the return of any nominations and entry fees paid. SunRay Park reserves the right to cancel or postpone this race and/ or Trials for this race for any reason which it deems good and sufficient, with the consent of the New Mexico Racing Commission.
