

Martino's Auto Center March Newsletter

Spring is just around the corner, and at Martino's Auto Center, we are celebrating the season of renewal with, heartfelt appreciation for our incredible team and customers. Let's explore what's happening this month!

March 6th – Employee Appreciation Day

At Martino's Auto Center, our team is the backbone of our success! We wouldn't be where we are today without their hard work, dedication, and expertise. We invite our valued customers to stop by or give us a call to personally thank our outstanding employees. Your appreciation truly means the world to them!

March 10th – Daylight Saving Time Begins

It's time to spring forward! Vehicles typically display a little clock icon on the dashboard to remind you when daylight saving time arrives. Make sure to set your clocks an hour ahead so you don't arrive late for your important appointments! If you need assistance changing your clocks, feel free to stop by; **we would be happy to help you!**

March 19th – First Day of Spring

As spring arrives, it's time to refresh your vehicle after winter. Come in and get a free Digital Vehicle Inspection. We will look over your whole care and help you prioritize what your vehicle needs. We share videos and pictures so you are never in the dark about anything.
