

Stockton greeted our 50 anglers with a 104 heat index. Due to the heat, we dropped it to a 4 fish limit. The air was hot, but so was the bite!

Taking top honors was Cody Campbell with 15.63, and Big Bass of 5.65. He concentrated on the Big Sac side, fishing points with pole timber, using a 10 inch Power Worm. He took home \$3,600 for first place, plus \$750 for first Big Bass.

Second place went to Matthew Rogers with 15.39, and 2nd Big Bass of 5.19. If you're not scoping, you're hoping. If he's scoping, he's setting the hook! He was paid \$2,500 plus \$250 for his 2nd place Big Bass.

Taking third place was Luke Routh with 13.78. Luke caught them out of brush and rock piles with a Motion Fishing football jig. He had one keeper in the morning, and did not have another bite until 1 p.m.
