Payment Plan

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of life that has been lived, and we will assist in arranging an appropriate service to meet your individual needs.

It is also important to be realistic in respect to funeral and cremation expenditures. We do not want a family to spend more than they are able, nor less than they would like. What is important is that arrangements be in keeping with a family's wishes and budget.

*The above prices on the items above reflect a 3.5% cash/check/insurance assignment discount.
This discount is *not valid for credit card purchases*. Add 3.5% to the total cost for credit card purchases.
