## Trained, Professional, and Compassionate Caregivers

Chanda Care Services provide a support system for families and caregivers of clients and provides home management care to clients who want to remain as independent in their home for as long as possible. Each client, no matter your service is managed by a Registered Nurse; Certified Case Manager.

## Alzheimer's or Dementia Care

We can help with managing behaviors, assist with daily living activities, encourage engagement, safety, and support family.

## Post Hospital, Rehab or Surgical Care Services

There is much risk of moving from one level of care to another or from the hospital to home.

- Coordinating care with the hospital/rehab discharge planner.
- Preparing the home for your loved one's return.
- Providing medication reminders.
- Mobility assistance and exercises to help regain your strength

## Health Care Advocates

We can be your healthcare navigators within the complex health care system. We can help coordinate and advocate for options to meet an individual's comprehensive needs.
