WHAT:

Soupfest is about coming together to empower youth by creating a fun, local and delicious experience in the heart of Hamilton. This one-day annual event attracts nearly 4,000 attendees annually at this one day event. Soupfest is an annual community celebration that showcases soup from top local restaurants. Restaurants compete for the titles of: Best Soup, Most Creative Soup, Heart Smart and Best Display.

WHY:

Soupfest is the major annual fundraiser for Living Rock Ministries, a non-profit youth resource center in Hamilton. Living Rock Ministries has been a safe place of community and support for youth, since 1985. Last year, Living Rock responded to over 22,000 visits, providing essential supports to one of Hamilton's most vulnerable populations: youth between the ages of 13-25, who are affected by significant risk factors such as loss of family, poverty, substance misuse and mental health. Vulnerable youth need support to navigate the social systems to find ways to meet their basic needs of food, education and shelter. The programs and services offered by Living Rock Ministries provide a continuum of care for youth and their children, while offering opportunities for personal development, life-skills and employment training.

Coming together to empower youth by creating a fun, local, delicious experience in the heart of Hamilton.
