- ☐ Clean up Crew- After the event ends (gathering up items to load up our Rock vehicles. Items include pots, boxes of disposables, signage etc)

Additional Comments:

Are you part of a Corporate Team that has made arrangements to come? If so, what company or organization?

If you have co-workers volunteering at the same time as you are we strongly encourage carpooling as parking is busy and can be expensive. Thank you for helping us stir-up support for youth!
