Blair of Blair

Amos Probos,
"I Love the Righteous"

Blairs of that Ilk, or Blairs of Blair are from Ayrshire. Believed to have started with the Barony of Blair.

Blair House, Dalry Ayrshire

Occupied continuously by Blairs (of Blair) between 1202 and 1980. Once called Blair castle, the house is the one of the oldest continuously inhabited baronial mansions in Scotland. The vaulted ceiling, tower, guard room, and large fireplace from the original castle remain to this day.
