

SRYS Treble Choir

Weekly Notes

Hello, Treble Choir family!

The SRYS Treble Choir had a fantastic first rehearsal. I am SO pleased!

REHEARSAL RECAP

- We warmed up, went over behavior expectations, sang a traditional round called "Scotland's Burning" (first in unison, then in 3 parts! Everyone sounded so GREAT!), and started working on our concert repertoire (including starting our Latin piece - exciting!)
- Each rehearsal, I try to end on an encouraging affirmation for my singers. This week, our word was thankfulness; so we ended with me letting them know I am thankful that God made them!

NEXT REHEARSAL PREP

- We will learn more of our concert repertoire. As recordings become available, please have your child listen to these pieces.
 - Top Priority
 - Jubilate Deo (Latin piece)
- Read and sing through PART 3 this week
 - All Things Bright and Beautiful
- Read and sing through this piece. It is a Unison song; everyone is singing together
 - Goin' to Sing
- Everyone read and sing through PART 1 this week
 - Little Birch Tree

REMINDERS

- Treble Choir members need a 3-ring binder (no bigger than 1" for ease of use), a pencil, and a water bottle with flip top for rehearsals.
- ***Please be ready to SING at 3 pm.*** Use the restroom, gather your things, and be ready to get to work so we can use all the time we have available together. Thank you!

- I will start moving singers around as I get to know their voices and personalities a little better. I do not have a seating chart as yet; but please remind your child to be flexible as we work to find our BEST choral sound. Thank you!

IMPORTANT INFORMATION

- Set up/Reset CREW
 - I asked the Treblers if they would help set-up and reset our rehearsal space each week. (We have to move 6 long tables, a keyboard, and about 48 chairs to make our room work.) The kids responded just wonderfully! Set-up crew needs to arrive by 2:50 pm, and the reset crew will need to stay behind an extra 10 minutes or so.
 - If your child is listed as a set-up helper and you know you won't be able to come early OR, conversely, if he/she is a reset helper and you won't be able to stay late, please let me know ahead of time.
 - This past week, our CREW helpers were Max, Owen, Gibson, Caleb, Grayden, Ella and Charlotte. THANK YOU!!!
