Drop off and Pick up will take place at The Arc of Weld County’s offices, but each day’s activities will take place at community destinations like Colorado Youth Outdoors, the Greeley Funplex.

Meet our newest board member Bobby Torres! Bobby is a born and raised Northern Colorado gentleman. He graduated high school in Kersey. He has worked for Schaefer Enterprises, a local recycling business that employs those with disabilities. He currently works at the Greeley arc Thrift store. He is also married to the lovely Kathi Sargent, one of our agency's Community Ambassadors/Office Assistants.

What you might not know is Bobby loves heavy metal music and you may just spot him waiting at a bus stop near Walmart jamming out! He is excited to be a board member for The Arc of Weld County so he can help share his personal experience, calm demeanor, and powerful voice to help others with intellectual and developmental disabilities.
