## CORE CAPABILITIES

End-to-end expertise spanning systems, AI, acquisition support, cloud, and data systems.

### SOFTWARE & SYSTEMS ENGINEERING

- Full lifecycle system design & development
- Scalable software architecture
- System integration & deployment
- Performance optimization & QA.

### AI & DATA SOLUTIONS

- Artificial intelligence & Machine learning solutions.
- Data analytics & visualization
- Predictive modeling & decision support
- Automated reporting & insights

### ACQUISITION & MISSION SUPPORT

- Acquisition strategy & planning
- Requirements Development & Analysis
- Program & Project. Management
- Operational & mission support services

## COMPANY SNAPSHOT

**SDVOSB**  
Service Disabled Veteran-Owned Small Business

**MINORITY-OWNED**  
Small Business

**SBA MENTOR-PROTÉGÉ**  
2025 - 2029

### IDENTIFIERS

UEI: NPS2D9QPX6N8  
CAGE: 8TRM5

### NAICS CODES (SELECT)

541511 - 541512 - 541330  
541618 - 518210 - 541990

## WHY DRIX

OUR DIFFERENCE. YOUR ADVANTAGE:

**PROVEN PERFORMANCE**  
Supporting mission-critical federal systems (FAA)

**INTEGRATED EXPERTISE**  
AI, engineering, and acquisition capabilities in one team

**RAPID DEPLOYMENT**  
Skilled SMEs ready to support immediately

**SECURE & COMPLIANT**  
Experience in ATO and federal environments

**SCALABLE SOLUTIONS**  
Adaptable across government and commercial missions

## PAST PERFORMANCE

**FEDERAL AVIATION ADMINISTRATION (FAA)**  
Staffing Workbook Application (SWB)

Provided system engineering, software development, and cybersecurity support for a mission-critical FAA workforce system.

### CONTRACT DETAILS

- ✓ Program management & planning
- ✓ System engineering & development
- ✓ Web-based software development
- ✓ Application & database maintenance
- ✓ Documentation & user support services.

### KEY CONTRACT VEHICLES

**SHIELD**  
Solutions for Homeland Infrastructure, Enforcement, and Logistics

### NAICS CODES (FULL LIST)

541511 541513 541330 5541430 5541613 541513  
541611 541512 541990 561430 561499 611420

716010 513410 510220 541730 549030 54680 54530 560880 561480 564430
