### **Old Business:**

- Sarah provided a Synod Implementation team recap, an update on Eucharistic Adoration, and an update on Young Adults programs for Roxanne, who was absent.
- Michael provided an update on facilities and the upcoming capital campaign. We discussed PPC member feedback on perceived needs to address.
- Michael and Sarah provided an update on the Ministry Collaboration Council / Staff, and how we plan to work together to help move ideas forward. This included:
  - A discussion of the framework document that is in development to guide this process. We will continue to take feedback on how to revise and to evolve the document.
  - An upcoming Parish Leadership meeting will be held on May 19 that will include staff, PPC, Finance Committee, Liturgy Commission and other groups.

### **New Business**

- We discussed PPC terms of service. We will continue to search for potential new members.
- There was a discussion about the Ministry in Focus area for this month: Young Adults. It was focused around three questions:
  - What do we currently offer our young adults?
  - What have you seen elsewhere that works well or what would you like to see?
  - What is something simple and actionable that we can improve upon at this time?

- There will be no April meeting. The next time we get together will be at the Parish Leadership Meeting on May 14, 2025.
