

Life and Human Dignity Month

Called to Witness: *Living the Gospel in Public Life*

Hosted at Mary, Mother of the Church

Thursday, October 23

6 p.m. Doors Open, 6:30 p.m. Speaker

We will look at how to promote a **consistent ethic of life from conception until natural death**, and touch on the relevant issues of our day, including abortion, assisted reproductive technologies, sex trafficking, pro-family policies, and physician-assisted suicide. Together, we will form our consciences so we can inform those around us and help transform our state. Displays from organizations that promote Life & Human Dignity will also be in attendance.

Speaker: Maggee Hangge

Assistant Director for Operations and Family Policy
