

TERMS & CONDITIONS

Last Updated: September 26, 2026

Training Services

CPR ResQ Training & Education provides educational and safety training programs, including **CPR, BLS, First Aid, AED, Babysitter Training, and other emergency preparedness and safety courses.**

Courses may include classroom instruction, demonstrations, hands-on skills practice, assessments, and other learning activities.

CPR ResQ reserves the right to make reasonable changes to instructors, schedules, course locations, or delivery methods when necessary.

Registration

Participants are responsible for providing accurate information during registration and meeting any prerequisites associated with their selected course.

Registration and participation are also subject to our separate **Payment Policy, Cancellation, Rescheduling & Non-Refund Policy, and Privacy Policy.**

Attendance & Participation

Participants are expected to:

- Arrive on time and prepared for training.
- Participate in required instructional and hands-on activities.
- Complete applicable skills demonstrations or assessments.
- Maintain respectful and appropriate behavior toward instructors and other participants.

Late arrival may prevent a participant from completing required course components and may affect eligibility for certification.

Physical Participation

Some courses require physical activity, including kneeling, bending, performing chest compressions, practicing rescue-breathing techniques, and using training equipment.

Participants should consider their ability to safely participate and notify the instructor of any limitations or accommodations that may affect participation.

Certification

When certification is included, participants must successfully complete all applicable attendance, skills, knowledge, and assessment requirements.

Attendance alone does not guarantee certification.

Certification cards or certificates may be issued by CPR ResQ or the applicable certifying organization. Certification periods and renewal requirements are determined by the applicable program.

Youth Programs

Certain CPR ResQ programs, including **Babysitter Training and youth safety programs**, are designed for minors.

A parent or legal guardian may be required to complete registration, consent forms, emergency contact information, or other documentation before participation.

Training Limitations

CPR ResQ provides education and skills training but cannot guarantee a specific outcome during an actual emergency.

Participants are responsible for applying their training appropriately and within their level of knowledge, certification, professional responsibilities, and applicable laws.

Course Changes

CPR ResQ may cancel, postpone, relocate, or reschedule a course because of severe weather, instructor illness or unavailability, facility issues, insufficient enrollment, emergencies, or other circumstances beyond our reasonable control.

Options available when CPR ResQ cancels a course are described in our **Cancellation, Rescheduling & Non-Refund Policy**.

Intellectual Property

Original CPR ResQ materials, graphics, website content, handouts, branding, and educational resources may not be reproduced, distributed, sold, or used commercially without permission.

Materials belonging to third-party training or certification organizations remain the property of their respective owners.

Governing Law

These Terms & Conditions are governed by the laws of the **State of Ohio**.

Agreement

By registering for or participating in a CPR ResQ course or program, you acknowledge that you have reviewed and agree to these Terms & Conditions and other applicable CPR ResQ policies.
