Description

A rich, deep red granite with subtle brown undertones and a consistent, uniform hue. Occasional flecks of black or white minerals add depth and character. Renowned for its strength and durability, this bold stone makes a lasting impression in any application.

Physical Test Results

Absorption	0.05%
Compressive Strength	18,680 PSI
Modulus of Rupture	1,152 PSI
Bulk Density	175.5 PCF

Applications

Residential	Commerical
Interior	Exterior
Horizontal	Vertical
