

Coding Summer Camp 2026

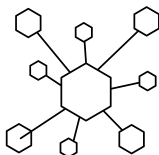

Academy of Montessori

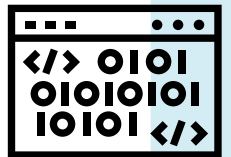

June 8th -
June 30th

Monday to
Thursday

9:00 am to
11:00 am

Our Montessori Coding camp offers an engaging hand-on introduction to coding using specially designed Montessori materials. The program is tailored thoughtfully for children ages 3 to 6 and Lower Elementary.

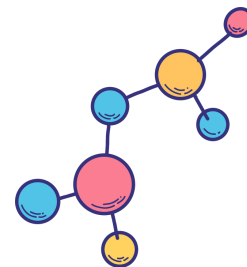

Upper Elementary students will take their learning further by working with the programming platform “Scratch”. Also, the program aims to enhance students digital literacy and problem-solving skills

Science Camp

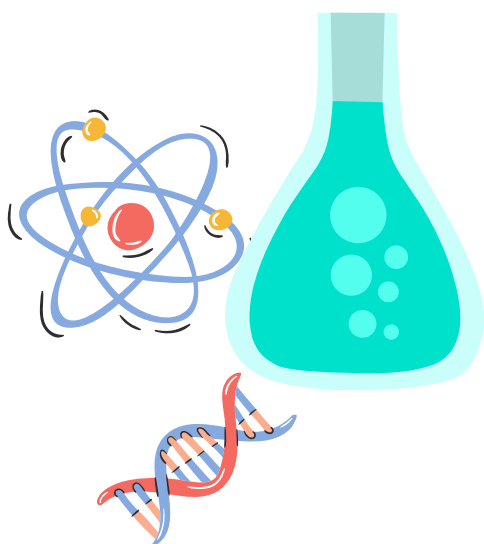

Academy of Montessori

July 2026

Monday to
Thursday

9:30 am
to 11:00
am

Our Montessori Science Camp offers an exciting, hands - on learning experience for our students aimed to spark their curiosity and passion for discovery.. We will be conducting age appropriate, meaningful experiments for our young scientists.

Experiments are held 9:30 -
11:00 am on Monday -
Thursday
