Farcet CofE Primary School Newsletter

INTRODUCING CAROLINE SADLER (NEW HEADTEACHER)

Dear Farcet Families

Happy New Year! I hope that you all had a lovely Christmas break and that you are all having a good start to 2025.

I am delighted to be the new Headteacher of Farcet CofE Primary School. Before I joined Farcet CofE Primary School, I was a Headteacher for over ten years in Kent and I have also been a Senior Lecturer in primary education at a local university too.

Your children have had a wonderful start to the new term. Their behaviour has been superb, since they have all been demonstrating the values of our school and they have shown a great attitude to their learning too. They have also shown me kindness and compassion by making sure that I have been enjoying my first week at Farcet CofE Primary School and they have enjoyed introducing me to their friends on the playground at lunchtime too.

When the school gates open at 8.40am in the morning, I will either be standing by the KS1 or KS2 gate, so please do come and introduce yourself to me.

I look forward to getting to know the Farcet CofE Primary School families.

Have a lovely weekend.

Caroline

(Headteacher)

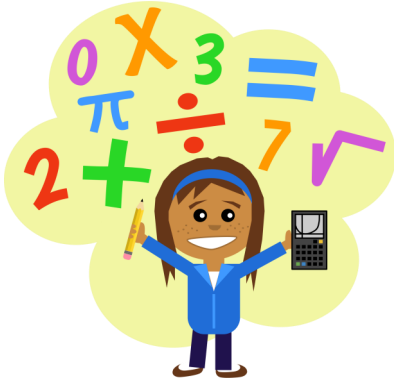

10th January 2025
Term 3, Week 1

OUR SCHOOL VALUES

- Trust
- Friendship
- Compassion
- Forgiveness

FARCET COFE PRIMARY SCHOOL MATHS LEADER

Miss Roberts is the Deputy Head and Maths Leader at Farcet CofE Primary School.

Miss Roberts wants to make sure that all of our children develop into confident and successful mathematicians. This means that she oversees whole school maths planning and makes sure that children make excellent progress during their maths lessons. She also ensures that children use high quality maths resources to help them with their learning.

TERM 3 CURRICULUM FOCUS: MATHS

Every half term, the Newsletter will have a different curriculum focus. During Term 3, we will be focussing upon maths.

The teachers work hard to plan high quality maths lessons to achieve the aims of the National Curriculum, which include: fluency, reasoning and solving-problems.

This week, the children have shown a great attitude to learning during their maths lessons. We would like to take this opportunity to share some photographs of the work that the children have undertaken during their maths lessons this week.

Earhart Class

7.1.2025 (Adult led)
Numbers 0-5- Alive in 5!

- "I understand that zero means nothing."
- "I can count 5 objects."
- "I can recognise numbers 0-5."
- "I can subdivide numbers 0-5."
- "I can work with bigger numbers."

Number	Write it	Numicon	Dice	Draw candies
0	0		0	
1	1		1	
2	2		2	
3	3		3	
4	4		4	
5	5		5	

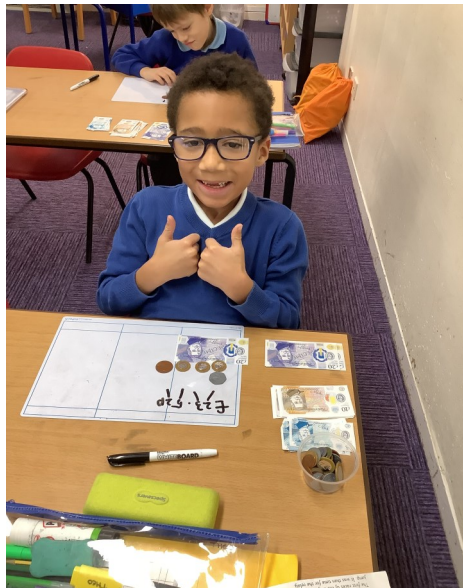

This week, EYFS Reception have been learning to write, count and recognise the numbers 0-5.

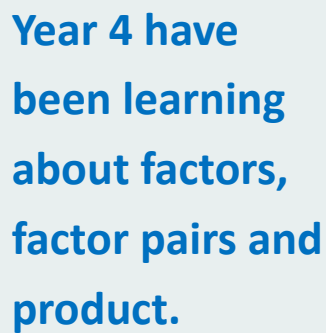

Goodall Class

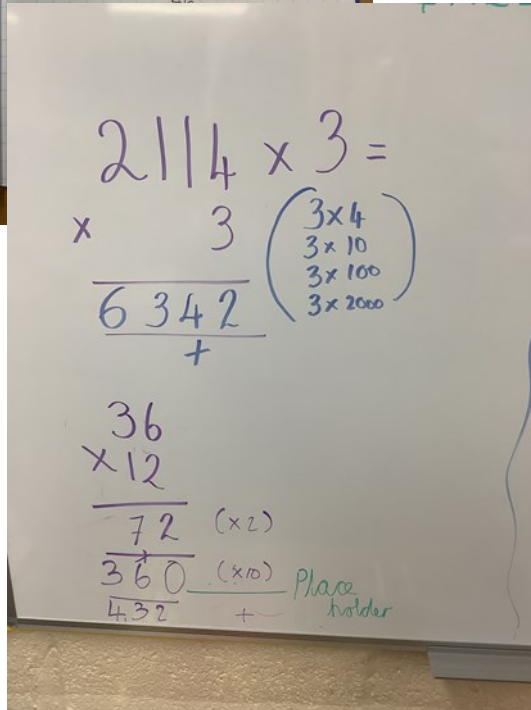

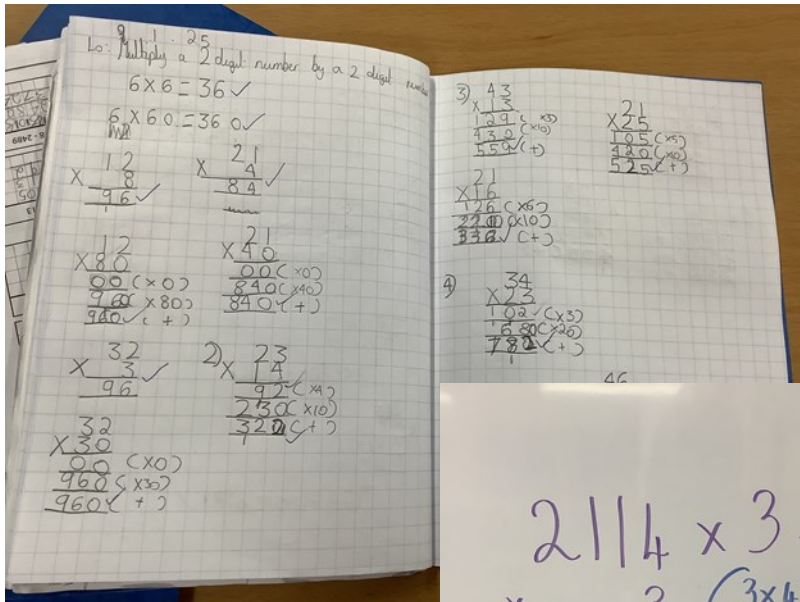

This week, Year 2 have enjoyed learning about money. They have been learning to recognise the value of coins and notes, create amounts, plus write the pound sign.

Year 3 have been learning multiples, re-capping 2, 5 and 10 times tables .

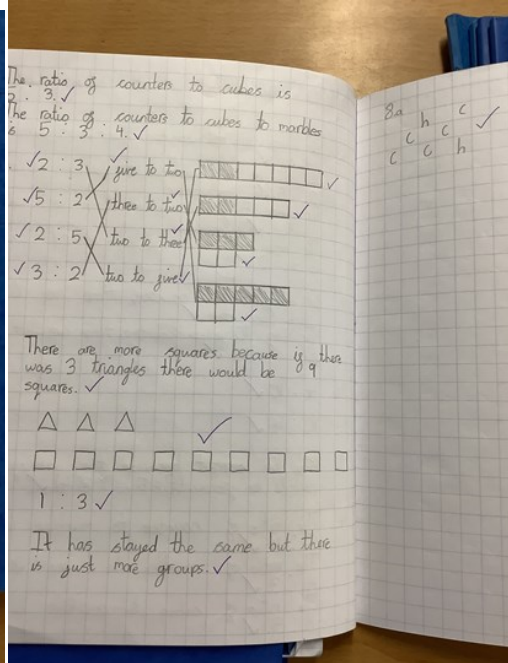

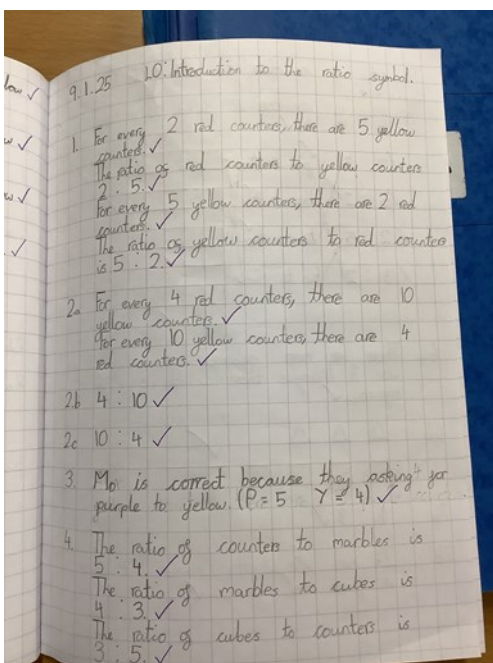

Hawking Class

Year 5 have been multiplying. They began by multiplying 4-digit numbers by a 1-digit number and then move on to multiplying 2-digit numbers by other 2-digit numbers using the formal written method. They are doing re-

Year 6 have been learning about ratio this week and the relationship between Ration, division and Fractions. They have worked really hard and are using jottings. to help where needed.

DATES FOR YOUR DIARY

Term 3 Dates:

- Children's mental health week is 3-7th February 2025.
- Safer Internet Day is the 11th February. 2025.
- Last day of term is Friday 14th February 2025

COLLECTIVE WORSHIP

Today we talked about the importance of Epiphany for Christians.

During Collective Worship every Friday, we provide your children with an opportunity to share their success with us. A very well done to Oscar for his martial arts trophy, Harriet for her swimming certificates and Jude for his swimming medals too.

We also celebrated children who have had their birthdays since the end of Term 2 by singing 'Happy Birthday' to them.

ATTENDANCE

Term 3, week 1:

Whole School Attendance: 95%

Earhart Class attendance: 100%

Goodall Class attendance: 95%

Luther-King attendance: 94%

Hawking class attendance: 92%

Well done everyone for a great first week back at school. Have a lovely weekend.
