Student volunteer tutors are sometimes available on an as needed basis.

Students retaking assessments may have the option to leave when their assessment is completed. Teachers are required to provide directions for students and the Homework Club Advisor.

Students attending Homework Club voluntarily may leave on their own when they feel they are ready.

Student pickup: Students may be picked up from Homework Club using the front entrance of the school when they are complete with their work.

Students taking the late bus home **MUST** have signed up prior to 12:00 PM using this [form](#). Further, students will be asked to wait outside in the front of the school building until the late bus arrives at 4:10 PM. Students will be expected to maintain appropriate behavior on the bus, this includes complying with the use of personal Internet devices policies.

Students interested in serving as a volunteer, please communicate your interest to the Homework Club Advisor and your school counselor. We are always seeking student volunteers! This is a great way to build your volunteer hours and contribute to Thomaston High School!
