For eight plus years, Tru180° has built beautifully hand-crafted poly furniture using our own designs. Over time, those designs have changed and evolved to meet our customer needs and requests. New for 2025, we are launching our exciting Cascade Collection!

Cascade represents a whole new design of our original patio chairs, gliders, swings and tables. The original collection we are now referring to as "Legacy" is still available for those who want to add to their existing collection or who simply enjoy the look and comfort of our original designs.

Cascade offers some subtle differences when compared to Legacy, but represents the future of the Tru180° product line that is prominently featured in our 2025 catalog.

Below are some highlighted differences between Cascade and Legacy:

Lumbar Back: Tru180°'s lumbar chair back is standard on Cascade collection and an option on the Legacy collection. The Cascaded chair back also has no visible screws from the front for a "clean, sleek" look.

Chair-back Options: The Cascade collection is only available in "fan back" whereas the Legacy collection offers both fan back and scallop back options.

Seat Slats: Seat slats on the Cascade collection are wider than on the Legacy collection which means the seat is slightly deeper on Cascade. The deeper seat also has a slight "dip" that nestles your lower back into the curved lumbar chair back.

Seat Front: The seat front on the Cascade collection is square versus rounded on the Legacy collection.

Table/Bench Bases: The trestle bases for the Cascade collection table and straight benches are slightly curved giving them a more modern look. The bases for the Legacy collection are straight and have a more traditional look.

We are confident you will be happy with either collection

Warranty

Tru180° warrants the original purchaser that our high-density polyethylene (HDPE) furniture will be free of original defects in workmanship and materials for a period of twenty years of residential use or two years of commercial use.

At its discretion, Tru180° will repair or replace defective products without charge for materials and labor.

The spirit of this warranty is to guard against defects within our control. Tru180° guarantees the hardware, swivels, and bearing straps will not fail for five years of residential use or two years of commercial use.

Retail Information

Shipping: Each piece of our furniture is transported fully assembled to authorized dealers "blanket wrapped."

Custom Orders: We do our best to accommodate customer orders, but sometimes we have to decline them. All custom order requests must be pre-approved by Tru180° before commitment is made to build the item(s).

Color Options: There are 16 *standard* and 9 *premium* color options for 432 total color combinations. Please note that premium colors can be used only as an accent color (seat/seat back and table top). See below.

COLOR SELECTION

PREMIUM ACCENT COLORS

STANDARD colors available for base and accent
PREMIUM colors only available as accent
