

# THUMBIES®

Three-dimensional Thumbies are crafted from fingerprints, footprints or handprints using the time-honored process of lost wax casting. Thumbies are available in .925 sterling silver and 14k white or yellow gold.

Original 2-D ink print

Finished 3-D Thumbie keepsake

The clearest portion with the greatest interest is selected.

The finished cast replicates all of the ridges and life lines in the original print.

Charms are slightly domed on the print side and flat with a burnished finish for engraving on the back side.

Standard Charm

Grand Charm

A sterling silver Standard Charm is included in many packages.
