

HEALTHCARE BENEFITS FOR MARITIME EMPLOYERS

Washington Maritime Businesses now have access to an exciting new employee benefits offering.

Working Waterfront Coalition (WWC) Health Trust

is an Association Health Plan designed specifically for employers in the maritime-related industries.

Qualified maritime employers can now offer quality, affordable benefits programs to their employees.

Eligibility Requirements

- Employers must have a maritime industry focus
- Headquartered in Washington
- Have a minimum of TWO employees (not including 1099 workers)

Working Waterfront Coalition (WWC) Membership

- An annual fee for membership in the WWC is required and varies between \$75 - \$500 based on number of employees

Annual membership provides members a place to advocate and support the economic vitality of our maritime sector, a quarterly newsletter, access to an online library of employment law/HR documents, and promotes the marine trades workforce development through scholarships and apprenticeships.
