

WMG SUMMER FUN FEST!!

WEEK 8

Back to School Week !!

General Half and Full Day Program Reminders:

Half Day - pack a snack and drink each day.**

Full Day - pack a snack, lunch and a drink each day.**

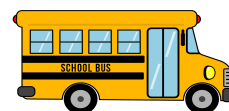

**** Please be mindful of campers with food allergies and keep snacks & lunches nut-free and allergen-friendly!! ****

- There will be instructional gymnastics class, arts & crafts, and open gym time each day.
- Outdoor play will be held as often as possible, weather permitting.
- Please apply sunscreen and/or bug spray prior to leaving the house. If you wish for your children to reapply, please send a can of continuous spray sunscreen and/or bug spray with them. This is the only style of application the staff will be able to assist your child with.
- Pack a swimsuit, a towel, and a change of clothes each day. We won't use water every day, but we will try to use the sprinklers and play water games at least once during the week, so have your children be prepared just in case!
- **FRIDAY FUN DAY!** - On Fridays, we offer the full-day students to purchase pizza for **\$5 per child** (cash only), and we will have a pizza and movie party in the afternoon. Any half-day students who wish to stay for the pizza and movie are welcome to add it on to their week for **\$15 per child** (cash only). Sign up in the office at any point during the week prior to Friday morning.

Extra Info:

There is an opportunity during the day for the children to purchase a snack or popsicle. Prices range from \$.50 to \$2.00 depending on the items. If you choose to have your child buy their snacks or drinks in the office, you can send them with money each day or you can leave money in the office for them at drop off and create a "snack tab." This has been very popular option, and most campers take advantage of this opportunity.
