2026

**BLUE CROSS
PARK**

ORDERING PRIOR TO EVENT

To guarantee that we will meet all of your food and beverage needs, please have your orders in 48 hours prior to your event. The best way to place your order is online where you can select your items and submit your order electronically: goldeyes.com/patiopreorder Food and drink service begins one hour prior to the event. Food service concludes two hours after the start of the game. Last call for drinks will occur during the 8th inning. **To maintain consistency and efficiency, we kindly request that all orders be placed using the online order form, not via email or phone.**

CANCELLATIONS

If you must cancel a Patio order, we ask that you please contact our Food & Beverage Office at fb@goldeyes.com with your cancellation at least 48 hours prior to the event. Charges will not be incurred within this time frame. If for any reason a game is cancelled (cold, snow, rain, etc.) and the ballpark does NOT open, you will not be charged for your food and beverage order. If the gates to the ballpark open for ANY amount of time and the game is cancelled (time restrictions, rain, snow, etc.) you will be charged fully for your food and beverage purchase.

METHOD OF PAYMENT

We accept debit, credit card (Visa, Mastercard, American Express, Discover), Goldeyes Fish Fins, and Goldeyes Gift Cards. If you wish to run a tab for drinks, you will be required to provide a credit card to secure the tab. Please note, an 15% gratuity is added at all food and beverage purchases, which is divided amongst all food and beverage staff in a tiered fashion, with the majority going to the Event Servers. Additional gratuities are not expected, but should you choose to do so, they are voluntary and at your discretion.

OUTSIDE FOOD

As per Manitoba Health and Safety regulations, no outside food or drink may be brought into the ballpark. If you would like to bring in a specialty item, such as a birthday cake, you must make prior arrangements with us. Please note there is a \$10 plating fee, which includes plates, cutlery, napkins, and knife for slicing. Fridge/freezer storage is available. Important note: due to health regulations, cakes must be store-bought, not homemade.
