Skysuite Menu
2025

**BLUE CROSS
PARK**

ORDERING PRIOR TO EVENT

All Concourse Concessions are available for you to order, as well as platters of Skysuite food, and our staff will deliver the items to your suite. To guarantee that we will meet all of your food and beverage needs, please have your orders in 24 hours prior to your event.

The best way to place your order is online where you can select your items and submit your order electronically: goldeyes.com/preorder Please note that some items require 24 hours notice while others may be ordered the day of the event. Food and drink service begins one hour prior to the event. Food service concludes two hours after the start of the game. Last call for drinks will occur during the 8th inning.

To maintain consistency and efficiency, we kindly request that all orders be placed using the online order form, not via email or phone. If you do not wish to order group meals, individual orders can be placed using the QR code found in your Skysuite while you are here. Should you not have the opportunity to pre-order your food items, we politely ask for your patience, as pre-orders are given priority service.

CANCELLATIONS

If you must cancel a Skysuite order, we ask that you please contact our Skysuite Office at fb@goldeyes.com with your cancellation at least 24 hours prior to the event. Charges will not be incurred within this time frame. If for any reason a game is cancelled (cold, snow, rain, etc.) and the ballpark does NOT open, you will not be charged for your food and beverage order. If the gates to the ballpark open for ANY amount of time and the game is cancelled (time restrictions, rain, snow, etc.) you will be charged fully for your food and beverage purchase.

METHOD OF PAYMENT

We accept cash, debit, credit card (Visa, Mastercard, American Express, Discover), Goldeyes Fish Fins, and Goldeyes Gift Cards. If you wish to run a tab, you may be required to provide a credit card to secure the tab. Please note, an 18% gratuity is added to all food and beverage purchases, which is divided amongst all food and beverage staff in a tiered fashion, with the majority going to the Skysuite servers. Additional gratuities are not expected, but should you choose to do so, they are voluntary and at your discretion.

OUTSIDE FOOD

As per Manitoba Health and Safety regulations, no outside food or drink may be brought into the ballpark. If you would like to bring in a specialty item, such as a birthday cake, you must make prior arrangements with us. Please note there is a \$10 plating fee, which includes plates, cutlery, napkins, and knife for slicing. Fridge/freezer storage is available. Important note: due to health regulations, cakes must be store-bought, not homemade.

IN-SUITE HOSPITALITY COOLER

As a convenience to you, we provide worry-free beverage service using a par stock system. A credit card must be provided to your Skysuite server in order to utilize this service. Your Hospitality Cooler is prestocked with all of the canned and bottled beverages we carry at Blue Cross Park, including beer, coolers, pop, and water. It has a par stock level to begin the event. At the end of the event, another count is done, and you will be charged for the product that has been removed. Drinks will also be restocked throughout the event, as needed. **Sorry, customization is not available.**

Should you choose not to partake in this option, all products stocked in the Cooler are available at Skysuite Concessions or through mobile ordering with the QR code located in your Skysuite. As well, non-alcoholic drink tubs, alcoholic/non-alcoholic drink tickets, and other custom drink services can be arranged. Please contact us for details.

ALCOHOLIC BEVERAGES

Manitoba liquor laws and Blue Cross Park policy state that no alcoholic beverages may be brought into the Skysuite or removed from the Ballpark. Although it is the responsibility of the Skysuite subscriber to ensure minors or intoxicated guests do not consume alcoholic beverages in their Skysuite, The Winnipeg Goldeyes reserve the right to check identification and to refuse service to persons who appear to be intoxicated.

In addition to beer and wine, we offer the convenience of our in-suite Premium Bottle Service. You may purchase entire bottles of our most popular spirits (in 750 mL bottles) at a discounted rate, and we will ensure your mix and ice bucket are stocked. Make your drink your way with no waiting!
