

2022 “State Street” Syrah

Central Coast

Wine Notes

Our second release of the State Street Syrah. As with the 2021, this is composed of Syrah vineyard sites throughout Santa Barbara County, but the 2022 also includes a small amount of Grenache and Viognier as well. A bright nose of red raspberry and red plum, with notes of black plum, baking spices and sweet black pepper. Great acidity and good tannins balance out the pure fruit and spice elements resulting a very balanced, food-friendly and immediately enjoyable Syrah.
