

CENTRAL COAST WINE WORKS

2023 Sauvignon Blanc

Santa Barbara County

This Sauvignon Blanc was grown in the sunny Santa Ynez Valley. 100% Sauvignon Blanc, with 8 months in stainless steel tanks.

A classic Sauv Blanc, more along the lines of white Bordeaux than a Loire wine, it's got loads of passion fruit, white peach and apple notes, with a background grassiness and minerality. Bright acid holds it well, but a wine meant to be consumed in its vibrant youth.

Drinking great now, hold for no more than 3-4 more years.

Appellation: Santa Barbara County,

Composition: 100% Sauvignon Blanc

Barrel Aging: 8 months, stainless steel tank.

Alc. 13.9%

Cases Produced: 200
