

Assess your card.

Trading-card restoration starts with an assessment and a written scope of work.

Full name

Date / request reference

Email address

Phone (optional)

Card details: year, set, player / character, number, variation, quantity

Current condition, prior work, visible damage and front / back photo descriptions

Restoration goals and methods you want discussed before authorization

Estimated value / intended use (display, resale, grading) / shipping preferences

ASSESSMENT REQUEST ONLY

Restoration can alter originality, value and grading eligibility; results are not guaranteed.

No treatment is authorized by this intake. Approve the written scope and price first.

Known alterations must be disclosed when cards are graded or sold.

Email the saved form and photos to lazardcollectibles@gmail.com; wait for shipping instructions.
