**PASTOR'S COLUMN:**

Pope Francis said this about Trinity Sunday:

"Today is the Sunday of the Most Holy Trinity. The light of Eastertide and of Pentecost renews in us every year the joy and amazement of faith: let us recognize that God is not something vague, our God is not a God "spray", he is tangible; he is not abstract but has a name: "God is love". His is not a sentimental, emotional kind of love but the love of the Father who is the origin of all life, the love of the Son who dies on the Cross and is raised, the love of the Spirit who renews human beings and the world. Thinking that God is love does us so much good, because it teaches us to love, to give ourselves to others as Jesus gave himself to us and walks with us. Jesus walks beside us on the road through life."

St. Theresa Parish takes this opportunity to congratulate all our parishioners who graduated this year. No matter what your level of education (pre-school, kindergarten, high school or college), congratulations on a job well done. Now, may our gracious Lord protect everyone this summer. May He grant us safe journeys, a time of rest and renewal, a time to rebuild family ties and the opportunity to continue our journey this Fall.

During the month of June, we take this opportunity to remember and pray for our fathers; living or deceased. May these men, who tried to do the best they could in raising us, be blessed and rewarded by God. May our spiritual fathers also be blessed and rewarded by God. They too tried to do the best they could to tell us about God and I hope lived out that message in their lives.

*Thank you to our Catechists and Volunteers!*

St. Theresa is grateful for this year's Sacramental Preparation catechists and volunteers for their faithful service and dedication to teaching the faith and spreading the Good News. They gave themselves completely through their witness to God and the sharing of His Teachings; spending hours creating lessons and forming hearts in their classrooms. Their role is so important to our parish and the whole Church.

May the Lord continue to bless them and nurture the seeds of faith they have planted in the hearts of their students!

**COLUMNA DEL PASTOR :**

El Papa Francisco dijo esto sobre el Domingo de la Santísima Trinidad:

«Hoy es el Domingo de la Santísima Trinidad. La luz del tiempo pascual y de Pentecostés renueva en nosotros, cada año, la alegría y el asombro de la fe: reconozcamos que Dios no es algo vago; nuestro Dios no es un Dios "vaporoso", es tangible; no es abstracto, sino que tiene un nombre: "Dios es amor". El suyo no es un amor sentimental o emotivo, sino el amor del Padre, que es el origen de toda vida; el amor del Hijo, que muere en la Cruz y resucita; el amor del Espíritu, que renueva a los seres humanos y al mundo. Pensar que Dios es amor nos hace mucho bien, porque nos enseña a amar, a entregarnos a los demás tal como Jesús se entregó a nosotros y camina con nosotros. Jesús camina a nuestro lado en el camino de la vida».

La Parroquia de Santa Teresa aprovecha esta oportunidad para felicitar a todos nuestros feligreses que se graduaron este año. Sin importar su nivel educativo —ya sea preescolar, jardín de infancia, escuela secundaria o universidad—, ¡felicidades por un trabajo bien hecho! Ahora, que nuestro bondadoso Señor los proteja a todos durante este verano. Que Él nos conceda viajes seguros, un tiempo de descanso y renovación, un tiempo para fortalecer los lazos familiares y la oportunidad de continuar nuestro camino este otoño.

Durante el mes de junio, aprovechamos esta oportunidad para recordar y rezar por nuestros padres, ya sean vivos o difuntos. Que estos hombres, que se esforzaron por hacer lo mejor que pudieron al criarnos, sean bendecidos y recompensados por Dios. Que nuestros padres espirituales sean también bendecidos y recompensados por Dios. Ellos también se esforzaron por hacer lo mejor que pudieron para hablarnos de Dios y —espero— vivieron ese mensaje en sus propias vidas.

**Fondo de Desarrollo Diocesano (DDF)**

Nuestra Meta para el DDF 2026 es de \$56,300. Lo lograremos igual! Que Dios los bendiga.

Gracias por su participación.

## **MID- YEAR 2026**

### **Buildings & Grounds**

#### **REPORT**

As of June 1, 2026, the following restoration projects have been funded and will be completed as indicated.

**STRUCTURAL BEAM RESTORATION – In progress – August 2026** Roof support beams are located on the East side of the East side chapel of the main church and surrounding the two sculpture gardens at the rear of the church which have various degrees of dry rot. Beams will be resurfaced where possible or replaced due to the severity of wood damage.

**BEAM END RESTORATION – 3<sup>rd</sup> qtr. 2026 – 1<sup>st</sup> qtr. 2027** The beam ends of the roof structure beyond the roof drip lines have also been affected by dry rot. The affected exterior portions beyond the drip lines will be totally removed and metal cladded to resemble the original wood beam.

**MEDITATION GARDEN – In progress – June 2026** This project which was started in early 2026 is now weeks from completion and will house 250 engraved bricks in the walkway. 50 additional bricks have been sold so far in Phase 2 leaving an opportunity for 650 additional bricks to be sold over-time.

**DAILY MASS CHAPEL REFURBISHMENT – In progress – June 2026** Insurance coverage for the sewer backup and damage that occurred earlier this year would have partially paid for the renewal of the Chapel. The Buildings & Grounds Committee decided to finish the job of refurbishment by painting the entire chapel, restroom, and hallway and reupholstering the pews and altar chairs using colors like those used when the original church was built by Architect William F Cody. We anticipate the result will encourage additional donations for the restoration in the main church.

**FORMER YOUTH ROOM RESTORATION – 3<sup>rd</sup> qtr. 2026 – 2<sup>nd</sup> qtr. 2027** The restroom flooring and carpeting in the youth room were also damaged by the

sewer backup. Because this room was not being used as intended for a youth program, the Buildings & Grounds Committee decided to convert this space into much-needed hospitality and media space. Its new use will be:

- Cry room for families with babies and young children
- Overflow seating for Holiday Masses
- Meeting room with state-of-the-art audio/visual capability for Council, Ministry, and parishioner meetings
- Reception room for groups of 40-60 following services for funerals, inurnments, baptisms, weddings, and other activities.
- Hospitality space for after Mass coffee and donuts

Insurance will cover new carpeting and restroom remodeling. New lighting, kitchen cabinets and appliances, painting, window covering, new furnishings, and audio /visual equipment will be provided by a generous donation from a parishioner, yet to be announced.

**PLANTER WALL AND MAIN CHURCH ENTRANCE ENHANCEMENT – 4<sup>th</sup> qtr. 2026 – 2<sup>nd</sup> qtr. 2027** The exterior planter walls surrounding the front and sides of the church have significant concrete cracks that need restoration. During phase 1 of this project, the caps on the top of the wall will be repoured and the side walls will be repaired and cleaned. In the second phase, a new floral planter with lighting and sculpture will be installed at the front entrance to the church. Again, this project is made possible by a generous donor who is yet to be announced.

As you can see, many projects will be completed this year due to contributions from the 135 Ministry fundraising activities, Columbarium sales, and individual donor gifts. If you would like to consider as a Ministry, family, or individual, a donation both large or small to a specific future project, please contact John Dzien at [jeddinco@aol.com](mailto:jeddinco@aol.com) or 303-949 3329 to discuss your interest. God Bless!

**Saint Theresa Parish  
Operating Income and Expenses and Financial Comments  
For the Ten Months Ended April 30, 2026**

We had a net operating income of \$8,635 for the month of April. The ten months ended April 30, 2026 shows a net loss from operations of \$39,909. On the income side, we had a one-time income item of \$13,213 which was the Federal Employee Retention Credit payment for the employee positions maintained during the Covid Pandemic. On the expense side, payroll expenses were favorable to budget because we were not fully staffed for July through October by \$34,935. Also on the expense side, after investigation of the property and earthquake insurance expense, we had been overbilled by the Diocese by \$13,755. The \$13,755 was actually for the School. The School is paying the Church back by paying the monthly trash removal bill of approximately \$1,135 per month for 12 months. Virtually all expense categories are unfavorable to budget for the ten months ended April 30. The recent repairs to the Church's cooling tower system line to the air handler and the repairs to the air handler itself will be paid before June 30 and total approximately \$33,500. There are five Sundays in May and for Sundays in June, which should allow us to break even for these final two months of the fiscal year, not counting the aforementioned \$33,500 repair expenses. We are projected to have an operating net loss for the fiscal year ending June 30 of at least \$70,000.

The operating budget for the new fiscal year of July 1, 2026 through June 30, 2027 is being prepared. With rising expenses for electricity, property insurance, building and equipment repairs and being fully staffed in the new fiscal year we are going to need a ten percent increase in operating income in order to break even.

The 135 Ministry for restore and renew of buildings and equipment had total funds of \$332,529 at April 30. An anonymous donor advised fund of \$103,767 is also available for use as needed. Two verbal commitments totaling \$85,000 have been pledged and expected to be received by the first calendar quarter of 2027. The repair of the Church laminated wood beams at a total estimated cost of \$176,000 to \$200,000 will begin as soon as contractors are available and projected to be completed by the first quarter of 2027. Other major restoration projects that we expect to be needed to complete by the summer of 2020 include the main church building cooling tower and HVAC systems replacements at a cost of \$200,000, Church and School buildings re-roofing at a cost of \$450,000, parking lots asphalt and concrete replacements at a cost of \$326,000, painting, carpeting and refurbishment of the pews in the main church building at a cost of \$134,000 and replacement of 6 other HVAC systems at a cost of \$90,000.

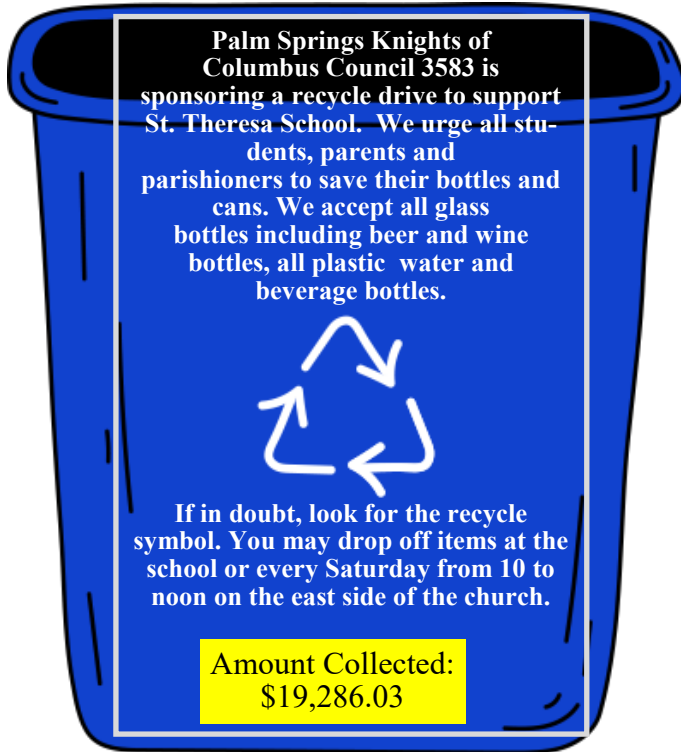

**Planned Giving Options**

**Qualified Charitable Distributions / IRA Rollover**

You can make a donation to the Parish directly from your IRA. This type of donation is known as a "qualified charitable distribution". This allows individuals age 70 and ½ or older to authorize their IRA administrator to directly transfer up to \$100,000 annually from their IRA to the Parish, tax free. If you are age 73 or older, the amount you transfer can satisfy all or part of your required annual minimum distribution. Please contact your income tax professional.

**Donor Advised Funds**

Donor Advised Funds are the fastest growing method and tax efficient way to manage charitable donations. Donor Advised Funds allow donors to make a charitable contribution, receive an immediate income tax deduction and then recommend grants from the fund over time. Please consult with your attorney or income tax professional and take advantage of this exciting new way to manage your charitable contributions.

No BINGO for the summer months. Please check bulletin and website for when we resume.
