Poly OUTDOOR FURNITURE

Quality poly lumber starts with quality raw material.

“The Modern Outdoor Furniture Choice”

- Poly Lumber is made from HDPE and has the appearance of wood.
- Poly Lumber will not splinter, rot or peel and it will never need to be painted or sealed.
- Lawn Furniture made from Poly Lumber is assembled with 316 stainless steel hardware and aluminum angle bracing is used underneath for added support.
- Stains can be removed with warm soapy water and a soft bristle brush. A pressure washer is helpful if your furniture is very dirty.
- Since Poly furniture is not affected by the elements, it can be left outdoors year round in any climate.
- So, sit back, relax and enjoy your quality lawn furniture!
