

SIESTA OUTDOORS

**UNIQUE HIGH-QUALITY POLY OUTDOOR FURNITURE
USA MADE**

OUR STORY

Siesta Outdoors is located near the small village of Sugarcreek, Ohio. As a family-owned business, we take pride in building each piece with care, craftsmanship, and close attention to detail, using only high-quality outdoor materials designed to last.

Our frames are constructed from Tangent HDPE poly and assembled with marine-grade stainless steel hardware and aluminum support tubing for long-term strength and durability. All seating features our signature recline and fold system, paired with a sling back and seat support system that offers exceptional comfort and easy storage.

The Siesta Set includes a one-piece, poly fiber-filled back and seat, while the Caribbean Set features a fiber-filled back with an open-cell outdoor foam seat cushion. All cushions carry a 5-year fabric warranty, and all frames are backed by a 20-year residential and 5-year commercial warranty. We also now offer our daybeds in additional sizes.

At Siesta Outdoors, our goal is simple—to provide high-quality, long-lasting, and comfortable outdoor seating. We value your feedback and welcome your questions or comments. Email: wildwoodoutdoorpoly@gmail.com
