GENERAL PRICE LIST

These price are effective as of January 1, 2026 and are subject to change without notice.

A list of funeral costs is mandated by the Federal Trade Commission. Every funeral home is required to make this list available upon request for comparison by the consumer. Our list has been simplified for this purpose. However, comparing prices can be confusing. We invite you to contact us for clarification.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for certain items that you may ask us to buy for you, such as, but not limited to, cemetery fees, death certificates, flowers or newspaper notices. The price for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

PROFESSIONAL SERVICE FEES

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF.....\$2855

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, forwarding and receiving of remains.) The above includes, but is not limited to, staff availability on a 24-hour-per-day basis; conferring with the family or their representative to determine desired services; obtaining, preparing and filing of documents (i.e, permits, death certificate, pensions, insurances, etc.), obituary information to newspapers and website; coordinating providers of outside services (i.e., clergy, cemetery, etc.); pre and post funeral guidance; professional licensing; legal and accounting fees; insurances; building and utility expenses; parking lot and grounds maintenance; taxes; equipment; furnishings and other administrative expenses.

EMBALMING.....\$990

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
