

How to Create a New Medicare.gov Account

This guide simplifies the registration process for a Medicare.gov account. Follow these steps to correctly input your personal details and secure your credentials for managing your health benefits online.

1 Navigate to <https://www.medicare.gov/>

2 Click "Create/Connect Your Account"

Easier, secure Medicare account options

You can now create or log in to your Medicare account using ID.me, CLEAR®, or Login.gov. These free, secure services verify your identity and help us prevent fraud.

Create/Connect Your Account

Feedback

Protect yourself from Medicare fraud

3 Select Medicare.gov from the available login options.

Once you have Medicare, you can use any of these free and secure identity verification services to log in to or create your Medicare account. [Learn about the new options.](#)

Each Medicare account needs a unique email address. Don't use an email address you share with someone else to create your Medicare account.

ID.me

ID.me

Trusted and used by federal services like IRS.gov and Social Security.

CLEAR

Trusted and used by airports and health systems.

Login.gov

Trusted and used by the VA, Social Security, and Global Entry.

Medicare

Medicare.gov

If you've already created a Medicare account, you can log in with your username and password.

4 Click "Create Account with Medicare.gov."
