Crew Leader – Landscape Construction

Reports to: Owner/President

Summary:

The Landscape Construction Crew Leader is responsible for overseeing and physically installing all on-site aspects of landscape construction projects with the crew they specifically lead on a daily basis.

Core Capabilities:

- Customer and quality focus
- Effective communication skills (both verbal and written)
- Team work
- Excellent problem-solving abilities
- Responsibility and dependability
- Ethics and integrity

Job Duties:

- Manage the execution of landscape construction projects to ensure completion of job(s) within project deadlines
- Manage safety, quality, and productivity of work at jobsites and company shop
- Supervise, coordinate, and schedule the day-to-day work activities of a landscape construction crew of 1 to 3 other employees
- Delegate job tasks to appropriate crew members to assist in the physical completion of landscape construction
- Operate various tools and equipment with skill, including: dump trucks, dump trailers, skid steers, mini excavators, chainsaws, jackhammers, laser levels, shovels, hammers, drills, chop saws, etc.
- Lead your own crew in the construction and completion of all landscape projects for our clients, such as installing patios, walkways, retaining walls, outdoor kitchens, water features, landscape plantings, lawn installations, low voltage lighting, composite decks, etc.
- Perform preventative maintenance on tools and equipment by conducting inspections, lubricating, and cleaning on an as needed basis
- Read and interpret landscape designs, structural drawings, and specifications to delegate/complete work activities
- Complete and submit all required paperwork on a daily basis, including: daily site meeting logs, crew daily forms, equipment daily inspection forms, attendance tracking, etc.
- Comply with all company policies and procedures
- Maintain and enforce standards of cleanliness and organization in assigned trucks, trailers, equipment, jobsites, and shop/yard areas
