Landscape Technician/Apprentice – Job Description

Reports to: Crew Leader – Landscape Construction

Summary:

The Landscape Technician/Apprentice is responsible for a variety of job tasks (including physical labor) to assist with the completion of landscape construction projects. Job responsibilities also include utilizing various hand tools, power tools, and equipment to carry out specified job duties. Relevant experience in landscape construction is preferred, but we will provide you with professional on-the-job training if needed.

Core Capabilities:

- Customer and quality focus
- Effective communication skills (both verbal and written)
- Team work
- Excellent problem-solving abilities
- Responsibility and dependability
- Ethics and integrity

Job Duties:

- Responsible for hardscape and softscape landscape construction
- Assist in the construction of building all landscape elements, such as installing patios, walkways, retaining walls, outdoor kitchens, water features, landscape plantings, lawn installations, low voltage lighting, composite decks, etc.
- Plant trees, shrubs, flowers, and bulbs
- Weed, prune, and trim trees and plants
- Utilize hand tools, power tools, and other necessary equipment to complete job tasks
- Move and transport materials using shovels, wheelbarrows, carts, dollies, and manual lifting
- Perform other manual duties to clean and maintain landscaped environments, shop, and equipment
- Conduct daily safety inspections of tools and equipment
- Follow directions from Crew Leader
- Wear appropriate personal protective equipment at all times
- Comply with all company policies and regulations
- Work in accordance with all local health and safety laws and regulations
- Communicate with customers in a polite and courteous manner
- Other duties as assigned by Crew Leader
