On The Day Co-Ordination

KG Events can be there on the day to provide professional coordination, ensuring everything runs smoothly and allowing you to relax and enjoy your wedding.

This service is particularly suited to venues or marquees, rather than hotels, and can be tailored to suit your needs. We can provide as little or as much support as required.

Here is just some of what we can help with on the day:

- Completing any additional setup you're unable to do on the morning of your wedding
- Turning on fairy lights and candles
- Liaising with suppliers on the day, including florists, cake suppliers, and the registrar, minister or humanist
- Greeting guests, directing them where they need to be, and setting up or serving drinks before or after the ceremony
- Managing the changeover between the ceremony and the meal
- Moving items throughout the day, such as flowers, pick 'n' mix, or any other décor
- Liaising with catering staff regarding timings and assisting with setup
- Master of Ceremonies
- Helping with tidying up at the end of the night

We are here to help, no matter how much support you need. This service is charged at an hourly rate, with additional staff available if required.

Full Wedding/Event Planning

Katy began organising events at Ackergill Tower back when she was just a teenager (and no, that wasn't yesterday!). She started in office administration before moving into event coordination, where everything was delivered to an exceptionally high standard. Anyone who remembers Ackergill Tower will know just how special it was and how much attention to detail went into every single event.

During her eight years at Ackergill Tower, Katy was involved in organising not only large weddings, but also corporate events and meetings, car launches (including Alfa Romeo, Land Rover and Ferrari, to name just a few), birthday parties, and many other events.

Since starting KG Events, Katy has continued to build on this experience and has gained extensive knowledge of what truly works for weddings and events — not just in the planning stages, but on the day itself. Attention to detail is one of her strongest qualities, with nothing ever going unnoticed.

KG Events can provide full wedding or event planning, taking the pressure off and allowing you to enjoy the process without the stress and hours of work involved. You'll be kept fully up to date every step of the way, with your day organised exactly how you want it.

We organise both local weddings and events, as well as those further afield, with pricing based on your individual requirements.

Many people wonder whether they really need an event planner — often it's simply because they're busy or don't know where to start. What many don't realise is that an experienced event planner can also save you money in the long run, working closely with you and your budget to ensure everything is just as you want it

DIY Hire/Linen Hire

Our DIY hire option allows you to hire our high-quality chair covers, sashes, and table linen and set everything up yourself.

Perfect if you're getting married or hosting an event at a venue that gives you access beforehand – and you're happy to do the setup but just need the materials!

We offer Chair Covers, Sashes, and Table Cloths for DIY hire.

You simply collect everything ready to go – all items are freshly washed and ironed. After your event, return them to us dirty, and we'll take care of the cleaning.

- Chair Covers – £1.50 per spandex chair cover
- Sashes – 75p – £1.50 per sash (as long as have sash in stock). New sashes may cost extra
- Table Cloths (available in black & white) – £7.50 per table cloth
- Table Runners – starting from £1.50
- Backdrop hire for DIY set up – price dependant on requirements

Fairy Light Backdrops

Our fairy light backdrop adds that perfect finishing touch to your wedding day. It's most commonly placed behind your ceremony area or top table, creating a beautiful focal point.

It's also ideal for covering areas of your venue you'd like to transform or soften – turning unused or plain spaces into something elegant and decorative.

Prices start from £80, depending on the size required. This service is venue-based and includes the backdrop material with fairy lights, plus full setup by us, so you don't have to worry about a thing.

We also offer our stunning Pipe and Drape system, which is completely free-standing and made with high-quality, heavy fabric. With no fixings required, it's suitable for any venue and can be used virtually anywhere.

A beautiful and versatile addition that provides a lovely finishing touch to your wedding venue.

Roof Decoration

KG Events offers a range of roof decoration options at our local venues in Caithness.

Each venue offers different possibilities depending on ceiling height and what can be done practically, so the styles available may vary from venue to venue.

If you have an idea we haven't done before, please get in touch - we're always happy to explore new ideas and expand our range of options.

Roof decoration adds that extra special touch to your overall setup. Venues can often feel quite bare without ceiling décor; however, due to structural limitations, not all styles are suitable for every venue.

Not only did she provide and set up all chair covers and room/ceiling decorations, she coordinated with other suppliers and provided on the day support to make sure everything was perfect, allowing us to relax as much as we could on the run up. Highly recommended! Thanks again Katy! And to your helpers.

Katy and her team did an absolutely fantastic job with the final flourishes of lighting and on the day assistance for our wedding. The day went perfectly. As far as I was concerned it went without a hitch. Hopefully that was actually the case.

Highly recommend the on the day service for those of you who are planning every detail of your own wedding. Make sure to get Katy and her team involved and have her across every detail of your planning so that you can relax and enjoy your big day. It's a no compromise service as far as we were concerned.
