DELIVERY ARRANGEMENTS

OCT operates on a rolling intake timetable. Although no units in this qualification have any pre-requisites, OCT has adopted a stage based rolling intake where all students must complete the units in the initial stage listed below prior to merging these students with older students in ongoing classes. OCT runs these units on an ongoing basis depending on student enrolments and commencements. Students can commence their course in any of the following units and in any order. Once, the students have completed the following units they will be merged with older students. Each student will be provided with their individual training and assessment plan outlining their timetable.

- AURAEA002 Follow environmental and sustainability best practice in an automotive workplace
- AURASA102 Follow safe working practices in an automotive workplace
- AURTTK102 Use and maintain tools and equipment in an automotive workplace
- AURETK002 Use and maintain electrical test equipment in an automotive workplace

You will be provided with your own apprentice toolkit which you will be required to bring to all practical classes. You will also be provided with a uniform which must be worn for all workshop days.
You must buy your own Safety Boots and bring them to each practical class. You will be provided with a timetable that will identify the days you will be attending workshop-based training and assessment.

Student Support System

OCT has a range of Student Support Services available for you. Please refer to your student handbook for details on available Student Support Services.

Assessment System

Units are assessed individually via a range of assessment methods: Written Assessment, Verbal Questioning and Practical Demonstrations observed directly by the assessor.

Recognition of Prior Learning (RPL) and Credit Transfers (CT)

Gaining credit and recognition of prior learning may reduce the time it will take to complete your course
OCT offers all students the opportunity to apply for Recognition of Prior Learning (RPL).
Please refer to our RPL and CT policy and procedure in the Student Handbook and/or Website.

Assessment Appeals

Students can make an appeal against any assessment decision by following the Complaints and Appeals Policy outlined in the Student Handbook and our website.
All appeals and complaints will be dealt with following the Complaints and Appeals Procedure.
