Elective units chosen must be relevant to the work environment and the qualification, maintain the overall integrity of the AQF alignment, not duplicate the outcome of another unit chosen for the qualification, and contribute to a valid vocational outcome.

Unit Code	Unit Title	Core/ Elective
AURAEA002	Follow environmental and sustainability best practice in an automotive	Core
	workplace	
AURAFA108	Interpret and apply automotive repair instructions	Core
AURASA102	Follow safe working practices in an automotive workplace	Core
AURETR042	Remove, refit and operate electrical components following body repair	Core
	activities	Core
AURETR125	Test, charge and replace batteries and jump-start vehicles	Core
AURTTK102	Use and maintain tools and equipment in an automotive workplace	Core
AURTTY001	Repair vehicle chassis, frame and associated components	Core

AURVTN003	Remove and store vehicle body components	Core
AURVTN022	Repair vehicle body misalignment	Core
AURVTN104	Remove, replace and align bolt-on vehicle body panels and components	Core
AURVTN116	Repair vehicle body panels using filler	Core
AURVTN120	Remove and replace major welded panels on vehicles	Core
AURVTN123	Repair adhesive bonded structural damage on vehicles	Core
AURVTN132	Inspect vehicle damage and determine repair procedures	Core
AURVTN135	Apply original equipment manufacturer repair procedures during vehicle	Core
	repairs	
AURVTW103	Carry out advanced gas metal arc welding on vehicle body sections	Core
AURVTW105	Carry out spot welding	Core
AURAMA001	Work effectively with others in an automotive workplace	Elective
AURVTA001	Prepare vehicles for customer use	Elective
AURVTA002	Remove and replace vehicle supplementary restraint systems	Elective
AURVTG110	Remove and install vehicle movable body glass	Elective
AURVTN005	Remove and replace adhesive attached components on vehicles	Elective
AURVTN017	Repair vehicle thermoplastic body panels and components	Elective
AURVTN018	Repair and replace vehicle structural damage	Elective
AURVTN029	Set up and operate universal vehicle measuring systems	Elective
AURVTN031	Carry out vehicle sectional repairs	Elective
AURVTN102	Carry out non-structural vehicle panel repairs	Elective
AURVTN127	Repair vehicle aluminium body panels using filler	Elective
AURVTP005	Apply rust prevention and sound deadening materials to vehicle body	Elective
	components	
AURVTT009	Remove and replace vehicle and vessel seats and fittings	Elective
AURVTW007	Carry out oxyacetylene thermal heating and cutting on vehicle body	Elective
	sections	

ENTRY REQUIREMENTS

Although the training package does not stipulate any entry requirements for this training product.
OCT has the following entry requirements in place for international students:

- be at least 18 years of age.
- participate in a course entry interview (pre-enrolment review) to determine suitability of the course and additional support needs.
- undertake OCT's ACSF LLN assessment.

English Language Requirements:

Prospective learner must have taken any of the following test types and achieved the minimum score in the last three (3) years.

Test Type	Score or level	Minimum score and at least 10 weeks ELICOS	Minimum score and at least 20 weeks ELICOS
International English Language Testing System (IELTS)	6.0	5.5	5.0
TOEFL internet-based test	64	46	35
Cambridge English: Advanced (Certificate	169	162	154
in Advanced English)			
Pearson Test of English Academic (PTE Academic)	50	42	36
Occupational English Test	B for each test component	B for each test component	B for each test component

**ELICOS - English Language Intensive Courses for Overseas Students*

You are not required to provide evidence of English language requirement if one of the following applies to you:

- you are a citizen and hold a passport from UK*, USA, Canada, NZ or Republic of Ireland
- you are an applicant who is a Foreign Affairs or, Defence sponsored student or a Secondary Exchange student (AASES)
- you are enrolled in a principal course of study that is a registered school course, a standalone English Language Intensive Course for Overseas Students (ELICOS), a course registered to be delivered in a language other than English, or a registered post-graduate research course
- you have completed at least 5 years' study in English in one or more of the following countries: Australia, UK, USA, Canada, New Zealand, South Africa, or the Republic of Ireland
- In the 2 years before applying for enrolment, you completed, in Australia and in the English language, either the Senior Secondary Certificate of Education or a substantial component of a course leading to a qualification from the Australian Qualifications Framework at the Certificate IV or higher level, while you held a student visa.

Note: You may be required to provide evidence of an English test score with your visa application if you hold a British National Overseas (BNO) passport.

ENTRY REQUIREMENTS

For international students, it is a condition of entry that upon acceptance, you must provide evidence of having an Australian Student Visa (sub-class 500).

PHYSICAL REQUIREMENTS

The physical requirements of a panel beater can be very demanding and it is expected that the prospective learners will have reasonable level of fitness to perform the following tasks:

- Constant hand function (fine and gross) and lifting waist to overhead and carrying up to 2kg
- Frequent standing, forward reaching, overhead reaching and static neck postures;
- Frequent lifting from floor to overhead and carrying from 2kg to 15kg;
- Frequent pushing and pulling;

You are required to discuss your capabilities in the above areas and any concerns you have during the course entry interview.

DELIVERY ARRANGEMENTS

OCT operates on a rolling intake timetable. Although no units in this qualification have any pre-requisites, OCT has adopted a stage based rolling intake where all students must complete the units in the initial stage listed below prior to merging these students with older students in ongoing classes. OCT runs these units on an ongoing basis depending on student enrolments and commencements. Students can commence their course in any of the following units and in any order. Once, the students have completed the following units they will be merged with older students. Each student will be provided with their individual training and assessment plan outlining their timetable.

- AURAEA002 Follow environmental and sustainability best practice in an automotive workplace
- AURASA102 Follow safe working practices in an automotive workplace
- AURTTK102 Use and maintain tools and equipment in an automotive workplace
- AURAFA108 Interpret and apply automotive repair instructions

You will be provided with your own apprentice toolkit which you will be required to bring to all practical classes. You will also be provided with a uniform which must be worn for all workshop days.
You must buy your own Safety Boots and bring them to each practical class. You will be provided with a timetable that will identify the days you will be attending workshop-based training and assessment.

Student Support System

OCT has a range of Student Support Services available for you. Please refer to your student handbook for details on available Student Support Services.

Assessment System

Units are assessed individually via a range of assessment methods: Written Assessment, Verbal Questioning and Practical Demonstrations observed directly by the assessor.

Recognition of Prior Learning (RPL) and Credit Transfers (CT)

Gaining credit and recognition of prior learning may reduce the time it will take to complete your course.
OCT offers all students the opportunity to apply for Recognition of Prior Learning (RPL).
Please refer to our RPL and CT policy and procedure in the Student Handbook and/or Website.

Assessment Appeals

Students can make an appeal against any assessment decision by following the Complaints and Appeals Policy outlined in the Student Handbook and our website.
All appeals and complaints will be dealt with following the Complaints and Appeals Procedure.
