You may enrol in the following qualification/s upon the completion of this program to further enhance your knowledge and skills:

- AUR50116 Diploma of Automotive Management
- AUR50216 Diploma of Automotive Technology

Mode of Delivery

Face to Face (20 hours per week) training and assessment with expected Independent Study of a minimum of 8 hours per week.

Weekly Timetable

Sample Timetable:
Monday: 8am – 5pm (including 1 hour break)
Tuesday: 8am – 5pm (including 1 hour break)
Wednesday: 8am – 12.15pm (including 15-minute break)

JOB OUTCOMES

Upon the successful completion of this program, you may be able to apply for the following positions in the Automotive Retail, Service and Repair Industry:

- Automotive Master Technician
- Automotive Overhaul Technician

COURSE DURATION

This qualification will be delivered over 27 weeks of training and assessment without any holidays.

Note that supplementary classes will be scheduled, and attendance required, should additional classes be required to allow for classes missed as a result of public holidays, or other interruptions, and/or for students who require further training and/or reassessment or additional support.

UNITS OF COMPETENCY

Total number of 10 units are required for the award of the AUR40216 - Certificate IV in Automotive Mechanical Diagnosis.

Those undertaking the Certificate IV in Automotive Mechanical Diagnosis must have completed an automotive mechanical Certificate III qualification, or be able to demonstrate equivalent competency.

Core units: 1 unit

Elective units: 9 units, of which:

- up to 9 units may be chosen from the Elective Units listed in the AUR40216 qualification.
- up to 2 units may be chosen from a Certificate III qualification or above in this Training Package or another endorsed Training Package or accredited course, provided that the units chosen contribute to the vocational outcome of this qualification and do not duplicate the outcome of another unit chosen for the qualification

Unit Code	Unit Title	Core/ Elective
AURTTA021	Diagnose complex system faults	Core
AURETR125	Test, charge and replace batteries and jump-start vehicles	Elective
AURTTA118	Develop and carry out diagnostic test strategies	Elective
AURLTB104	Diagnose complex faults in light vehicle braking systems	Elective
AURLTD109	Diagnose complex faults in light vehicle steering and suspension systems	Elective
AURLTX104	Diagnose complex faults in light vehicle automatic transmission and driveline systems	Elective
AURLTE104	Diagnose complex faults in light vehicle petrol engines	Elective
AURLTE105	Diagnose complex faults in light vehicle diesel engines	Elective
AURTTR101	Diagnose complex faults in engine management systems	Elective
AURETR037	Diagnose complex faults in light vehicle safety systems	Elective

ENTRY REQUIREMENTS

OCT has the following entry requirements in place for Domestic students:

- be at least 18 years of age.
- participate in a course entry interview (pre-enrolment review) to determine suitability of the course and additional support needs – Refer to Pre-training Review section on the following page
- undertake OCT's ACSF LLN assessment - Refer to LLN section on the following page
- must have completed an automotive mechanical Certificate III qualification

OCT has the following entry requirements in place for International students:

- be at least 18 years of age.
- participate in a course entry interview (pre-enrolment review) to determine suitability of the course and additional support needs – Refer to Pre-training Review section on the following page
- undertake OCT's ACSF LLN assessment - Refer to LLN section on the following page
- must hold a valid and current student visa
- must have completed an automotive mechanical Certificate III qualification

English Language Requirements:

Prospective learner must have taken any of the following test types and achieved the minimum score in the last three (3) years.

Test Type	Score or level	Minimum score and at least 10 weeks ELICOS	Minimum score and at least 20 weeks ELICOS
International English Language Testing System (IELTS)	6.0	5.5	5.0
TOEFL internet-based test	64	46	35
Cambridge English: Advanced (Certificate in Advanced English)	169	162	154
Pearson Test of English Academic (PTE Academic)	50	42	36
Occupational English Test	B for each test component	B for each test component	B for each test component

**ELICOS - English Language Intensive Courses for Overseas Students*

You are not required to provide evidence of English language requirement if one of the following applies to you:

- you are a citizen and hold a passport from UK*, USA, Canada, NZ or Republic of Ireland
- you are an applicant who is a Foreign Affairs or, Defence sponsored student or a Secondary Exchange student (AASES)
- you are enrolled in a principal course of study that is a registered school course, a standalone English Language Intensive Course for Overseas Students (ELICOS), a course registered to be delivered in a language other than English, or a registered post-graduate research course
- you have completed at least 5 years' study in English in one or more of the following countries: Australia, UK, USA, Canada, New Zealand, South Africa, or the Republic of Ireland
- In the 2 years before applying for enrolment, you completed, in Australia and in the English language, either the Senior Secondary Certificate of Education or a substantial component of a course leading to a qualification from the Australian Qualifications Framework at the Certificate IV or higher level, while you held a student visa.

Note: You may be required to provide evidence of an English test score with your visa application if you hold a British National Overseas (BNO) passport.

ENTRY REQUIREMENTS

For international students, it is a condition of entry that upon acceptance, you must provide evidence of having an Australian Student Visa (sub-class 500).

PHYSICAL REQUIREMENTS

The physical requirements of a heavy vehicle mechanic can be very demanding and it is expected that the prospective learners will have reasonable level of fitness to perform the following tasks:

- Constant hand function (fine and gross) and lifting waist to overhead and carrying up to 2kg
- Frequent standing, forward reaching, overhead reaching and static neck postures;
- Frequent lifting from floor to overhead and carrying from 2kg to 15kg;
  Frequent pushing and pulling;

You are required to discuss your capabilities in the above areas and any concerns you have during the course entry interview.

DELIVERY ARRANGEMENTS

OCT operates on a rolling intake timetable. Students can commence their course in any of the units and in any order as these units do not have any pre-requisites. New students will be merged with older students in line with the trainer to student ratio adopted by OCT.
You will be provided with your own apprentice toolkit which you will be required to bring to all practical classes. You will also be provided with a uniform which must be worn for all workshop days.
You must buy your own Safety Boots and bring them to each practical class. You will be provided with a timetable that will identify the days you will be attending workshop-based training and assessment.

Student Support System

OCT has a range of Student Support Services available for you. Please refer to your student handbook for details on available Student Support Services.

Assessment System

Units are assessed individually via a range of assessment methods: Written Assessment, Verbal Questioning and Practical Demonstrations observed directly by the assessor.

Recognition of Prior Learning (RPL) and Credit Transfers (CT)

Gaining credit and recognition of prior learning may reduce the time it will take to complete your course.
OCT offers all students the opportunity to apply for Recognition of Prior Learning (RPL).
Please refer to our RPL and CT policy and procedure in the Student Handbook and/or Website.

Assessment Appeals

Students can make an appeal against any assessment decision by following the Complaints and Appeals Policy outlined in the Student Handbook and our website.
All appeals and complaints will be dealt with following the Complaints and Appeals Procedure.
