Our Learning Journey

Cherry Class

Maths Autumn 1

We are learning to:

Year 1

- Develop a good understanding of place value by comparing, representing and ordering numbers to 20 and beyond.
- Find doubles
- Addition/subtraction facts
- Find 1 more and 1 less than a given number.
- Identify and classify 2D and 3D shapes.
- Add and subtract using number facts with concrete objects.

Year 2

- Develop a good understanding of place value by comparing, representing and ordering numbers to 100
- Learning and using addition and subtraction number facts, including bonds to 10.
- Identify and classify 2D and 3D shapes.
- Tell the time on digital and analogue clocks.
- Add and subtract smaller 2 digit numbers to and from larger ones.

Literacy (Autumn 1)

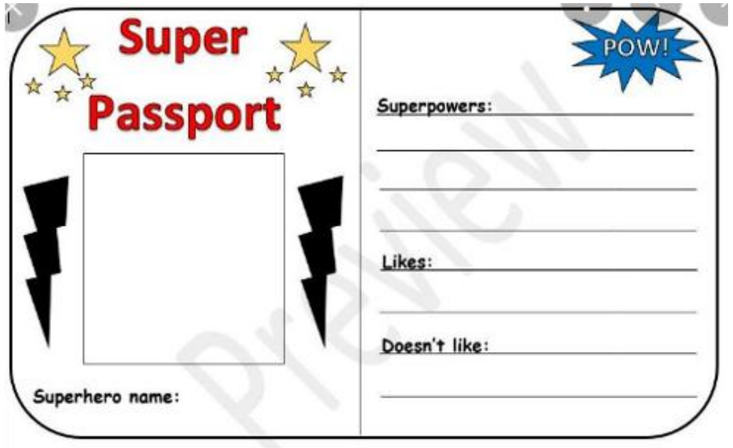

We are learning to:

Year 1:

- Consolidate simple sentences
- Use capital letters, fingers spaces, full stops with greater consistency.

Year 2:

- Use capital letters, fingers spaces, full stops with consistency.
- Consolidate sentence structure.
- Beging to extend our sentences using conjunctions such as and.

Genres will include:
Descriptive writing
Poetry
Newspaper reports

Science

During Science and Nature week we are learning about:

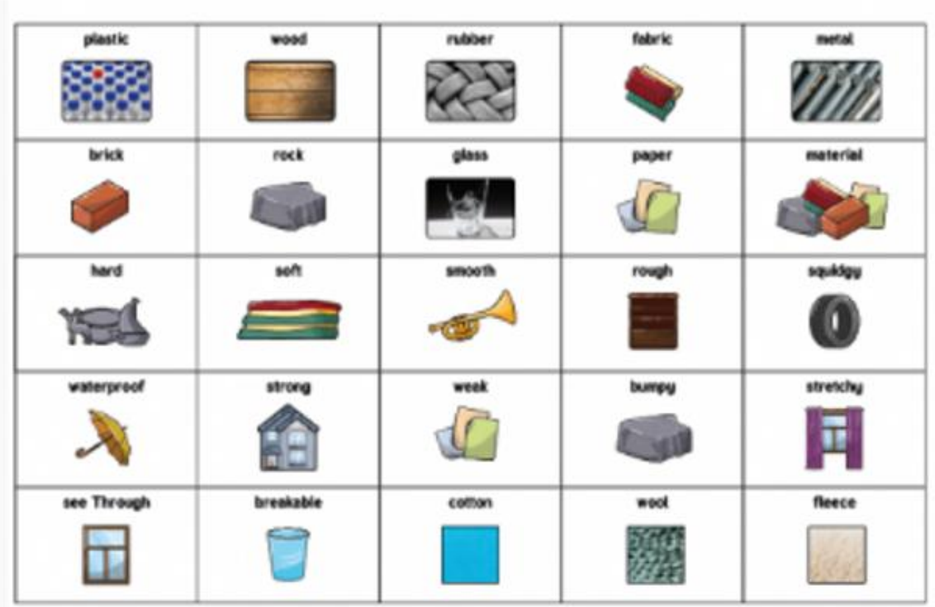

Year 1:

- Everyday materials
- Seasonal changes (Autumn to Winter)

Year 2:

- Uses of everyday materials
- Living things and their habitats.

PE

We are focusing on developing our skills through:

- Fundamentals
- Team Building
- Dance
- Target games

PSHE

We are learning about:

Being me in my world Autumn 1

Celebrating difference Autumn 2

RE

We are learning about:

Creation

- Who made the world?

Incarnation

- Why does Christmas matter to Christians?
- Why do Christians perform nativity plays at Christmas?

Music (Autumn 1) Senses

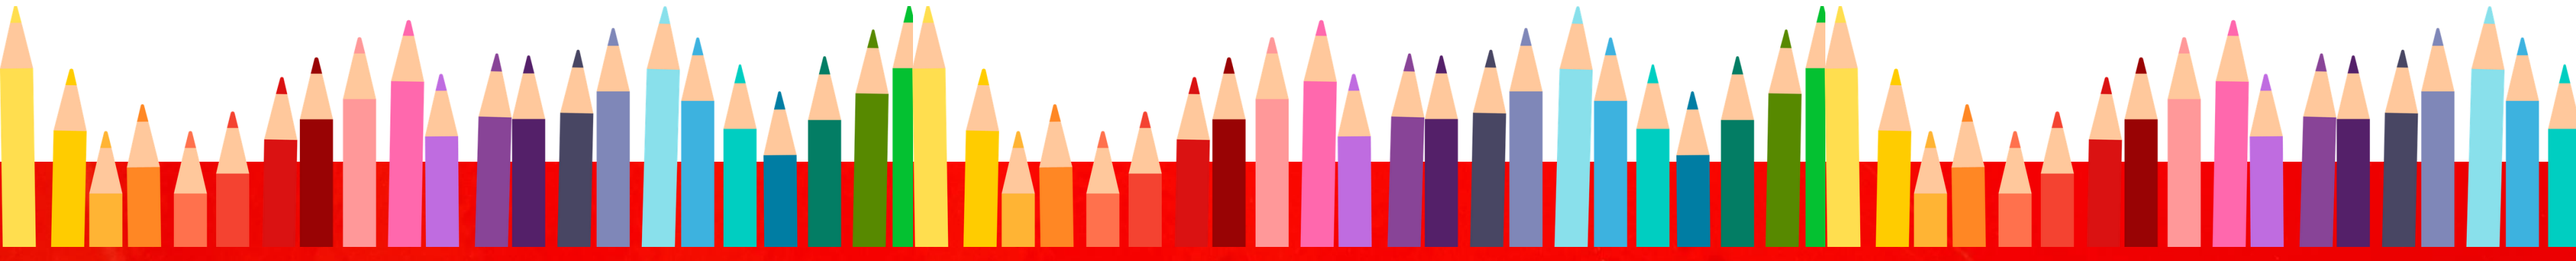

We are learning to:

- Listen: identify dynamics, duration, tempo and timbre
- Compose: create rhythms
- Perform in time with a pulse
- Use our voices expressively and creatively by singing songs and speaking chants and ryhmes.

Art

We are learning to:

- Mix primary colours to make secondary colours
- Use thick and thin brush strokes for different effects
- Use white and black to make tints and tones
- Look at the work of the artist William Blake
- Use some of the ideas from the artists studied to create pieces.

Geography

We are learning about our local area.

Turners Hill Explorers (Autumn 1)

- Plan a route
- Use simple compass directions
- Describe the location of familiar places and use fieldwork and observational skills to make a simple map, use and construct basci symbols in a key
- Use a variety of maps (and map symbols) and recognise key features of maps.
- Observe a variety of photographs to identify geographical features.

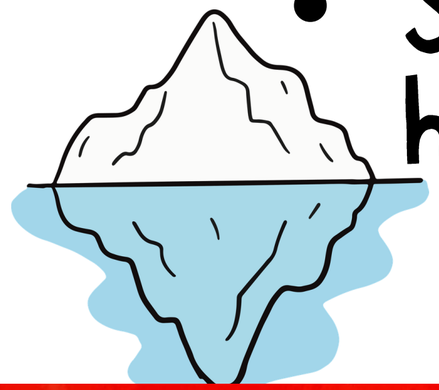

History

We are learning about:

Scott of the Antarctic

- Make informed guesses and inferences
- Use evidence to establish events
- Select sources that provide evidence for historical statements

Computing

We are learning to:

- Recognise common uses of information technology outside of school
- Use technology safely and respectfully keeping personal information private
- Identify where to go for help when you have concerns
