Our Learning Journey

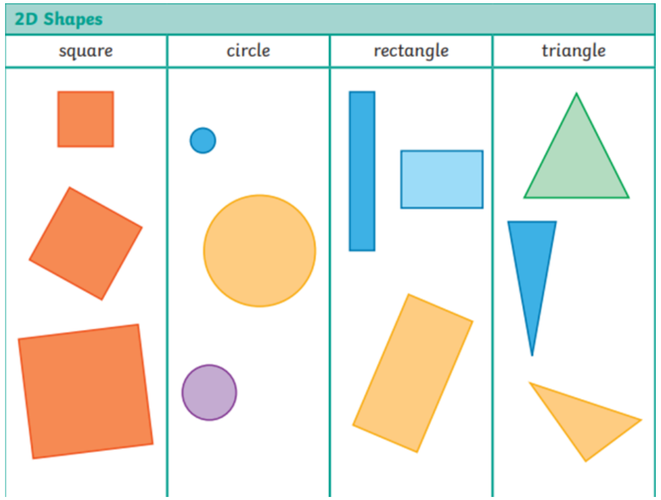

Maple Class

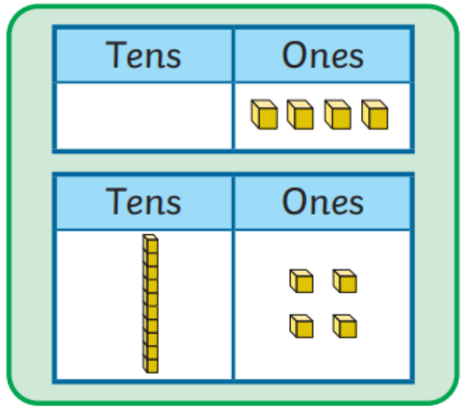

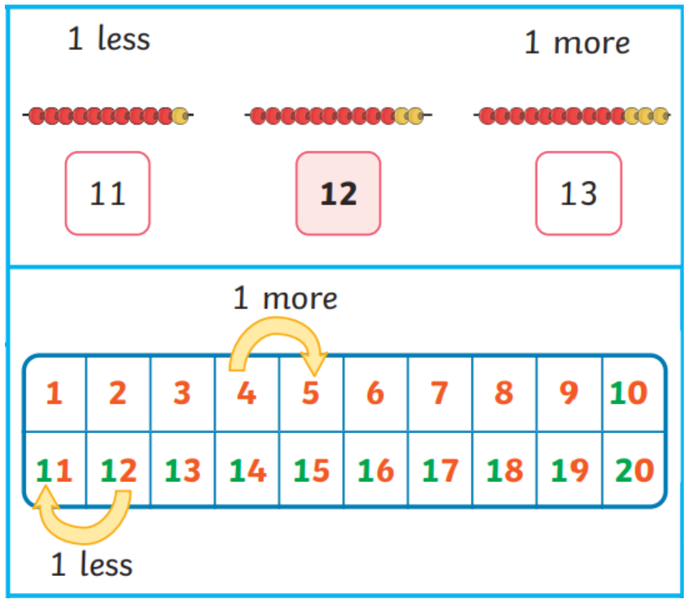

Maths

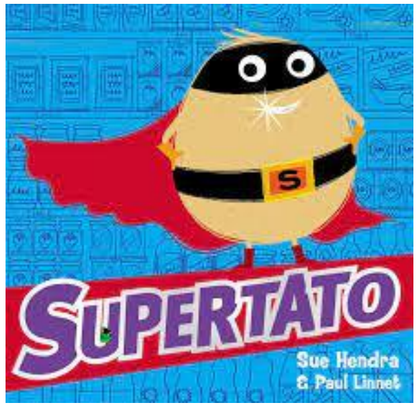

- Develop a good understanding of place value by comparing, representing and ordering numbers to 20 and beyond.
- Find doubles
- Addition/subtraction facts
- Find 1 more and 1 less than a given number.
- Identify and classify 2D and 3D shapes.
- Add and subtract using number facts with concrete objects.

Literacy

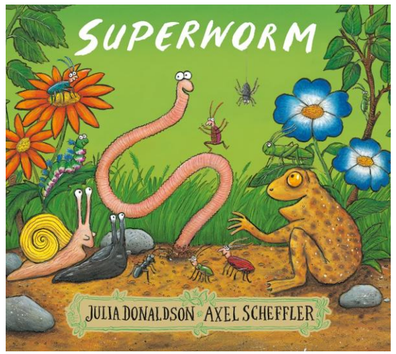

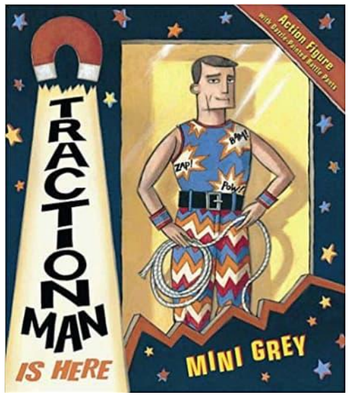

In Drawing Club we are learning to:

- Consolidate simple sentences.
- Use capital letters, fingers spaces, full stops with greater consistency.

Some of our key texts include:

- Supertato
- Traction Man
- Superworm
- Aisha the Superhero Princess

Science

During Science and Nature week we are learning about:

- Autumn 1: Everyday materials
- Autumn 2: Seasonal changes (Autumn to Winter)

PE

We are focusing on developing our skills through:

- Fundamentals
- Team Building
- Dance
- Target games

RE

Our big questions are:

Who made the world?

Why do Christians perform nativity plays at Christmas?

PSHE

Autumn 1: Being Me In My World

- Special and safe.
- My class.
- Rights and responsibilities.
- Rewards and feeling proud.
- Consequences.
- Owning our learning charter.

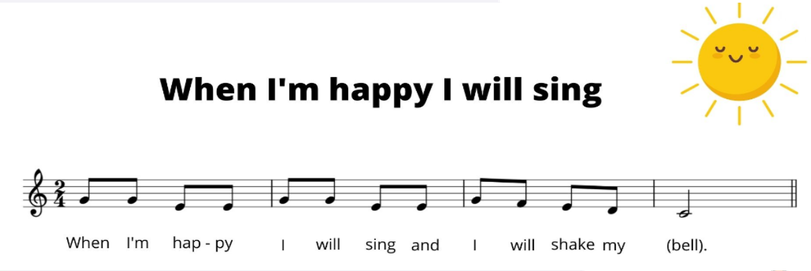

Autumn 2: Celebrating Difference

- 'The same as.'
- 'Different from.'
- What is "Bullying?
- What do I do about bullying?
- Making new friends
- Celebrating difference, celebrating me.

Music – All About Me

We will be learning to:

- Listen to music and respond with how the music makes us feel.
- Move to the music and play an instrument using a rhythm.
- Use our voices to speak and to sing and know how they are different.
- Use our singing voices to sing with others and begin to match pitch with movement.
- Keep a steady pulse and copy simple rhythms on an instrument.
- Explore instruments, match sounds and create music to show an emotion.

Art
We are learning to:

- Mix primary colours to make secondary colours
- Use thick and thin brush strokes for different effects
- Use white and black to make tints and tones
- Look at the work of the artist William Blake
- Use some of the ideas from the artists studied to create pieces.

Geography

We are learning about our local area. Turners Hill Explorers (Autumn 1)

- Plan a route
- Use simple compass directions
- Describe the location of familiar places and use fieldwork and observational skills to make a simple map, use and construct basci symbols in a key
- Use a variety of maps (and map symbols) and recognise key features of maps.
- Observe a variety of photographs to identify geographical features.

History (Autumn 2)

We are learning about:

Scott of the Antarctic

- Make informed guesses and inferences
- Use evidence to establish events
- Select sources that provide evidence for historical statements

Computing

Information and Technology Around Us

We are learning to:

- Recognise the uses of information technology outside of school.
- Use technology to create, organise, store, change, and retrieve digital information.
- Use technology safely and respectfully, keeping personal information private.
- Identify where to go for help when you have concerns about something you have seen online.

Programming - Robot algorithms: Beebots

We are learning to:

- Create and debug programs
- Use logical reasoning to make predictions.
