Construction Manager

AVI Professional Corporation | Cheyenne, Wyoming

Competitive Salary Based on Experience | Full Health, Dental & Vision Insurance

Build Your Career. Make an Impact. Find Your Team.

At AVI Professional Corporation, successful projects are built through strong planning, coordination, and construction management. From roads and bridges to neighborhoods, utilities, and commercial developments, our Construction Management Team helps bring projects from plans to reality while ensuring quality, safety, and efficiency throughout the construction process.

For more than 45 years, AVI has delivered engineering, planning, and surveying solutions built on quality, innovation, and strong client relationships. We're looking for a motivated Construction Manager who enjoys working in the field, coordinating with contractors and project teams, and seeing projects come to life. You'll have the opportunity to work on a variety of projects, take on meaningful responsibilities, and grow your career alongside an experienced, multidisciplinary team.

Why AVI?

- **A Team That Values Your Experience:** Join a close-knit, collaborative office where people genuinely enjoy working together. From company picnics and holiday celebrations to half-day Fridays, we believe in building strong relationships, maintaining work-life balance, and having fun along the way.
- **Competitive Pay & Benefits:** Competitive salary based on experience, along with a comprehensive benefits package including health, dental, and vision insurance, paid time off, seven paid holidays, paid overtime, 401(k) contributions, and merit-based bonuses.
- **Professional Growth & Opportunity:** Take ownership of projects, contribute your technical expertise, and work alongside an experienced team.
- **Meaningful Projects & Stability:** Be part of a diverse range of public and private projects throughout the Rocky Mountain region. From preconstruction planning to project completion, you'll help bring important infrastructure projects to life and make a lasting impact on the communities we serve.

What We're Looking For

- Bachelor's degree in Construction Management or a related field.
- 3+ years relevant professional experience in Construction Management.
- Experience coordinating construction activities and communicating with contractors.
- Strong work ethic, communication skills, and attention to detail.

Bonus Points For Experience with:

- AutoCAD Civil 3D.
- Monitoring project progress, schedules, quality, and compliance with plans and specifications.
- Reading and interpreting plans, specifications, topographic maps, and technical documents.
- GIS, EPA SWMM, Revit, or other technical software.

Let's Build Something Great Together.

If you're a Construction Manager looking for an opportunity to put your experience to work, take on meaningful projects, and be part of a team that values its people, we'd like to hear from you.

Come grow with us. Apply today!
