Professional Land Surveyor

AVI Professional Corporation | Cheyenne, Wyoming or Fort Collins, Colorado

Competitive Salary Based on Experience | Full Health, Dental & Vision Insurance

Build Your Career. Make an Impact. Find Your Team.

At AVI Professional Corporation, every great project starts with surveying. From roads and bridges to neighborhoods, utilities, and commercial developments, our Survey Team provides the foundation for projects that shape communities throughout the Rocky Mountain region.

For more than 45 years, AVI has delivered engineering, planning, and surveying solutions built on quality, innovation, and strong client relationships. We're looking for an experienced survey professional who enjoys leading field operations, mentoring others, and managing a variety of projects. You'll have the opportunity to work with modern technology and grow with an established, multidisciplinary team.

Why AVI?

- **A Team That Values Your Experience:** Join a collaborative team where you can share your knowledge, lead survey crews, and mentor the next generation of survey professionals.
- **Competitive Pay & Benefits:** Competitive salary based on experience, along with a comprehensive benefits package including health, dental, and vision insurance, paid time off, seven paid holidays, paid overtime, 401(k) contributions, and merit-based bonuses.
- **Modern Technology & Meaningful Projects:** Work with advanced surveying equipment and contribute to diverse projects throughout Wyoming and Northern Colorado.
- **Career Growth & Opportunity:** Take ownership of projects, build client relationships, and play an important role in growing AVI's surveying capabilities.

What We're Looking For

- 5+ years of land surveying experience.
- Strong knowledge of surveying principles, field procedures, and industry regulations.
- Experience with GPS receivers, robotic total stations, and surveying equipment.
- Strong leadership, communication, organizational, and project management skills.
- Wyoming PLS license or ability to obtain within six months.

Bonus Points For

- Bachelor's degree in Surveying, Civil Engineering, or related field.
- Experience with AutoCAD Civil 3D and Trimble Business Center.

Let's Build Something Great Together.

If you're ready to lead meaningful projects, share your expertise, and build your career with a company that values quality, innovation, and teamwork, we'd love to hear from you.

Come grow with us. Apply today!
