Survey Crew Member

AVI Professional Corporation | Cheyenne, Wyoming or Fort Collins, Colorado

Competitive Salary Based on Experience | Full Health, Dental & Vision Insurance

Build Your Career. Make an Impact. Find Your Team.

At AVI Professional Corporation, every great project starts with surveying. From roads and bridges to neighborhoods, utilities, and commercial developments, our Survey Team provides the foundation for projects that shape communities throughout the Rocky Mountain region.

For more than 45 years, AVI has delivered engineering, planning, and surveying solutions built on quality, innovation, and strong client relationships. We're looking for a motivated Survey Crew Member who enjoys working outdoors, operating modern surveying equipment, and being part of a team that takes pride in its work. You'll have the opportunity to work on a variety of projects, gain hands-on experience, and grow your skills alongside an experienced, multidisciplinary team.

Why AVI?

- **A Team That Invests in Your Growth:** Join a collaborative team where you can share your knowledge, be part of a survey crew, and learn from experienced survey professionals.
- **Competitive Pay & Benefits:** Competitive salary based on experience, along with a comprehensive benefits package including health, dental, and vision insurance, paid time off, seven paid holidays, paid overtime, 401(k) contributions, and merit-based bonuses.
- **Modern Technology & Meaningful Projects:** Work with advanced surveying equipment and contribute to diverse projects throughout Wyoming and Northern Colorado.
- **Career Growth & Opportunity:** Build your surveying skills, support field operations, and contribute to projects throughout Wyoming and Northern Colorado.

What We're Looking For

- High school diploma or equivalent.
- Valid driver's license.
- Ability to work outdoors in varying weather and terrain.
- Strong work ethic, communication skills, and attention to detail.

Bonus Points For

- 0–4 years of surveying, construction, or related field experience.
- Experience with GPS equipment or construction tools.

Let's Build Something Great Together.

If you're ready to work outdoors, gain hands-on experience, develop your surveying skills, and build your career with a company that values quality, teamwork, and professional growth, we'd love to hear from you.

Come grow with us. Apply today!
