

At AVI Professional Corporation, every great project starts with surveying. From roads and schools to neighborhoods, utilities, and commercial developments, our Survey Team provides the foundation for projects that shape communities throughout the Rocky Mountain Region.

We're looking for motivated individuals to join our team as **Survey Crew Members**. Whether you're beginning your career or have experience in construction or another outdoor trade, this is an opportunity to work with advanced surveying technology, learn from experienced professionals, and build a rewarding long-term career. Previous surveying experience is helpful but not required—we're willing to train individuals with a strong work ethic, positive attitude, and willingness to learn.

Who We Are

For more than 45 years, AVI Professional Corporation has partnered with communities, municipalities, and private clients to deliver projects that improve infrastructure and support growth throughout the Rocky Mountain region. Our success is built on our people, and we're committed to providing the mentorship, technology, and opportunities employees need to build rewarding careers.

What You'll Do

As a Survey Crew Member, you'll work alongside experienced survey professionals to collect accurate field data and layout construction sites for a variety of public and private projects.

Responsibilities include:

- Assist with boundary, topographic, construction, and utility surveys.
- Operate GPS receivers, robotic total stations, and other modern surveying equipment.
- Collect and document accurate field measurements.
- Set survey control points and construction stakes.
- Maintain survey equipment and vehicles.
- Work safely and collaboratively with engineers, contractors, and fellow team members.
- Continue developing your technical skills through hands-on training and mentorship.

Qualifications

Required

- High school diploma or equivalent.
- Valid driver's license.
- Ability to work outdoors in varying weather and terrain.
- Strong work ethic, communication skills, and attention to detail.

Preferred

- 0–4 years of surveying, construction, or related field experience.
- Experience with GPS equipment or construction tools.

Why AVI?

We believe in investing in our employees and providing opportunities to build long-term, rewarding careers.

We offer:

- Competitive pay with paid overtime.
- Health, dental, and vision insurance with family or spouse add-ons available.
- Paid time off and seven paid holidays.
- 401(k) with company contributions.
- Merit-based bonuses.
- Modern surveying technology and equipment.
- Career advancement and professional development opportunities.
- Company events and a collaborative team culture.

Work Environment

This position is available in both our **Cheyenne, Wyoming** and **Fort Collins, Colorado** office. Survey Crew Members spend most of their time working outdoors with occasional office work supporting project documentation. Typical schedules are 40 hours per week, with paid overtime available as project demands require.

Join Our Team

If you're ready to build a career with a company that values teamwork, innovation, and professional growth, we'd love to hear from you.

How to Apply: Interested candidates should email their **resume and cover letter** to **Skylar Edmund, Marketing Coordinator**, at sedmund@avipc.com with the subject line "Land Surveyor Application."

AVI Professional Corporation is an Equal Opportunity Employer.
