HALF COURT

**Half-Court defense is applied**  
IN THIS DIVISION

When a team reaches a 20-point lead they must play half-court defense. Teams can attempt rebounds or gain possession of a loose ball. However, once the opposition has secured clear possession/control of the ball (including dribbling in their back court), the leading team **MUST** return to their own half (around the throw-in line) and play defence once the ball is in their defensive back court.
