

Permission Form & Liability Waiver Form

For those players under 18 or a vulnerable player wishing to participate in play within a senior team. At The YBL, we take the safety of children and venerable adults very seriously and have made the appropriate checks to reasonably ensure that all teams meet our standards of safety and care.

Name of participant

I am aware that participation in _____ has some inherent risks and injury may occur.

I am aware that the named person will be 'playing up' in a team of senior players or playing against senior players. This will include physical and mental play against individuals who are older and possibly more experienced within the sport and physical contact is very likely. I acknowledge that there has been a fully informed discussion between the club, my child and myself about the suitability for my child's play and the risks involved.

In consideration of my child or the named person being allowed to participate I, _____ the parent/guardian of _____, assume the risk of all injury and agree not to hold The YBL (their NGB or any associates or affiliates) or my club liable for any and all injuries caused by or resulting from participating in basketball at this level.
